DISCUSSION ITEMS

Mrs. Bensch requested the Chairman remove item 7A, Southern Beaufort County Zoning Map amendment for five parcels from T3-Edge (R600 036 000 0001 0000, R600 036 000 001D 0000, R600 036 000 001F 0000, R600 036 000 001 0000 and R600 036 000 0364 0000) and (R600 036 000 0439 0000) from the May River Community Preservation District--all six parcels rezoned to T2-R (Rural), from the consent agenda.

The Vice Chairman passed the gavel back to the Chairman in order to continue the meeting.

PUBLIC COMMENT

The Chairman recognized Mrs. Deanna Hubbard, the applicant for the proposed rezoning of six parcels, totaling 35-acres along Huggins Hollow Lane, east of Gibbet Road, Pritchardville, who displayed several images of the property before and after the cleanup and announced plans to establish a family RV Park on the site.

Mr. Doug Hubbard, the owner of the six parcels, totaling 35-acres along Huggins Hollow Lane, east of Gibbet Road, Pritchardville, stated his goal is to improve / clean up the property. A family RV Park would be located approximately 300 yards from the road, at the back of the property, surrounded by a buffer of trees.

Mrs. Evva Anderson, a resident of Pritchardville and whose home fronts the only ingress / egress to the property, asked Council to oppose the rezoning of six parcels, totaling 35-acres along Huggins Hollow Lane, east of Gibbet Road, Pritchardville. Given the location of her property, these recreational vehicles will contribute to increased light pollution and destroy the green space.

Ms. Michelle Mancini, a resident of Pritchardville, asked Council to oppose the rezoning of six parcels, totaling 35-acres along Huggins Hollow Lane, east of Gibbet Road, Pritchardville. The procedure has lacked due process, transparency, commits Title VI violations, and the Planning Director was underhanded in his dealings in this matter. She submitted letters from 28 residents/property owners requesting Council to vote against the rezoning.

Mrs. Jill Bolin, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, offered Council an array of facts about the neighborhood, including a developer's proposed stormwater retention pond to be located in the middle of the subdivision.

Mr. Richard Bolin, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, spoke against a developer's proposal to construct a regional stormwater facility in the middle of the subdivision.

Mrs. Renee Murtaugh, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, spoke against a developer's proposal to construct a five-acre stormwater facility in the middle of the neighborhood. She questioned the County's vetting process.

Mr. Mark Lemstrom, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, expressed concern with the doubling of the density as well as construction of a water detention facility to be located in the middle of the neighborhood. These two projects jeopardize property value and potential reasonable resale.

Mr. Marco Orlando, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, stated Council has heard many facts tonight about the proposed stormwater detention pond and increased density of the neighborhood. He is upset with what is about to happen in his neighborhood. Why would Council change the character of a neighborhood zoned low density?

Mr. David Prekop, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, stated the lives of the residents have been turned upside down regarding the proposed construction of a five-acre pond in the middle of the neighborhood. He asked Council to reconsider the project because it was not vetted by the Lady's Island Community Preservation Committee; but, instead, it went directly to the Staff Review Team.

Mr. Bill Murtaugh, a resident of Academy Estates subdivision located within the Lady's Island Community Preservation District, stated many residents are frustrated with the County planning review process and the Staff Review Team regarding the proposed construction of a five-acre pond in the middle of the neighborhood. He suggested Council make several corrective measures: ensure transparency, require the Staff Review Team to keep and publish minutes, video and post the meetings, post an agenda, develop and post rules of conduct and process, and prepare and submit a written brief to the Planning Commission, etc.

Ms. Pat Unsicker, a resident of Pritchardville, asked Council to oppose the rezoning of six parcels, totaling 35 acres along Huggins Hollow Lane, east of Gibbet Road, Pritchardville. She is concerned about rezoning the property to commercial as well as the increased traffic on this two-lane road.

Mr. Robert Sampler, developer, remarked some people have suggested that there is some level of collusion between the County and he in regards to his proposed five-acre stormwater pond project. This is false. The neighborhood residents are asking Council to approve contractual zoning. This same zoning designation was in place in 1997, 1999, and 2014. Where were these residents when the zoning designations were under consideration?

SOUTHERN BEAUFORT COUNTY ZONING MAP AMENDMENT FOR FIVE PARCELS FROM T3-EDGE (R600 036 000 0001 0000, R600 036 000 001D 0000, R600 036 000 001F 0000, R600 036 000 001H 0000 AND R600 036 000 0364 0000) AND ONE PARCEL (R600 036 000 0439 0000) FROM MAY RIVER COMMUNITY PRESERVATION DISTRICT--ALL SIX PARCELS REZONED TO T2-R (RURAL)

The vote: YEAS – Mr. Flewelling, Mrs. Howard, Mr. McBride, Mr. Sommerville, Mr. Stewart and Mr. Vaux. NAYS – Mrs. Bensch, Mr. Caporale and Mr. Fobes. ABSTAIN – Mr. Rodman. ABSENT - Mr. Dawson. The motion passed.

The Chairman announced a public hearing on Monday, January 25, 2016 beginning at 6:30 p.m. in Council Chambers of the Administration Building, Beaufort County Government Robert Smalls Complex, 100 Ribaut Road, Beaufort, South Carolina.

ENGINEERING AND CONSULTING SERVICES FOR THE 2015 OKATIE WEST REGIONAL STORMWATER BMP, A CWA SECTION 319 GRANT PROJECT

Main motion: It was moved by Mr. Flewelling, as Chairman of the Natural Resources Committee (no second required), that Council award a contract to Ward Edwards Engineering, Bluffton, South Carolina in the amount of \$109,473 to provide engineering and consulting services for the 2015 Okatie West Regional Stormwater BMP, a CWA Section 319 grant project.

PUBLIC HEARINGS

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) NEEDS ASSESSMENT TO SOLICIT PUBLIC INPUT ON COMMUNITY NEEDS AND PRIORITIES FOR HOUSING, PUBLIC FACILITIES, AND ECONOMIC DEVELOPMENT

Mrs. Michelle Knight, Community & Economic Development Director, Lowcountry Council of Governments, stated the public hearing is required to solicit public comment on the S.C. Community Development Block Grant Program (CDBG) for Beaufort County. This will put the County in a position to be able to pursue CDBG funding for the coming year.

Mrs. Knight gave a PowerPoint presentation on the CDBG. CDBG is designed to assist units of local government in improving economic opportunities and meeting community revitalization needs, particularly for a person of low-and-moderate income (LMI). The program has been funded through the State since 1982 by the U.S. Department of Housing and Urban Development under Title I of the Housing Community Development Act of 1974. The annual allocation from HUD for the program is administered by the S.C. Department of Commerce, Division of Grant Administration.

South Carolina has been allotted approximately \$18,542,911 CDBG funds for 2016. This allocation has been divided among the program as follows: Community Development Programs in the amount of \$15,386,624; Community Infrastructure \$10,216,505, Community Enrichment \$3,000,000, Neighborhood Revitalization \$1,210,119, Special Projects \$300,000 and “Ready to go” Public Facilities Program. Matching fund requirements for all projects are now 10% of the grant request. However, additional leveraging for Community Development projects will make your project more competitive.

The Chairman opened a public hearing at 6:42 p.m. for the purpose of receiving information on community needs and priorities for housing, public facilities and economic development in the County. After calling three times for public comment and receiving none, the Chairman declared the hearing closed at 6:43 p.m.

COUNTY COUNCIL OF BEAUFORT COUNTY
PURCHASING DEPARTMENT

SUBJ: RFP#090115, Bluffton Township Fire District Burn Annex & Training Tower
DATE: January 19, 2016

BACKGROUND: The Bluffton Township Fire District is a full service fire department providing service to all areas of Southern Beaufort County with the exception of Hilton Head Island and Daufuskie Island. The District covers a geographical area of approximately 250 square miles with eight (8) strategically located fire stations. The District is a career fire department with 130 full-time personnel. The District responded to 5,188 emergency incidents in 2013. The District currently operates eight (8) engine companies, one (1) truck company, and one (1) service/support unit. Three (3) of the engine companies are staffed as Advanced Life Support (ALS) engines. Emergency medical services are currently provided by Beaufort County's Emergency Medical Services (EMS) division which is not affiliated with the District.

SCOPE OF WORK: The district identified in its strategic five year master plan that it would need to construct its own training facility. The location for this facility will be on district owned property, adjacent to station #30 on Burnt Church Road. This was one part of a three major capital projects plan that County Council approved for the district in FY15. An \$8 million bond was appropriated for these three capital projects with the training facility being one of these projects. The budget for this project was capped at \$1,300,000. The district, working along with the Beaufort County Purchasing Department, created a Request for Proposal (RFP) to evaluate fire training facility vendors and to select one that would best suit Bluffton Township Fire District. This process has been completed and the district is now requesting final approval to move this project forward with the appropriate funding.

These funds will be held within the County GL Account Number # 73040011-57800. Bluffton Township Fire District will make warrant requests, when invoices are due, to this account for vendor payments. See attached for available funding.

SUBJ: **Beaufort County Dirt Road Paving Requirements for Dirt Roads Without Right of Way
Condemnation Request – Albertha Fields Circle, Big Estate, Sheldon**

DATE: December 15, 2015

BACKGROUND. Albertha Fields Circle is a 0.41 mile dirt road located off Booker T. Washington Circle in the Big Estate community. Public Works has maintained this road for over 20 years. Albertha Fields Circle was ranked 26th on the FY 14/15 – FY 16/17 Dirt Road Paving Program.

In accordance with Section 106.2797 of the ZDSO and Policy Statement 17, the County must have a deeded 50 – foot right of way before the road can be advertised for a dirt road paving contract. Beaufort County does not own the right-of-way, nor does it have an easement for Albertha Fields Circle. Staff has followed the current process to try and obtain deeds for right of way.

Staff efforts to date to obtain right of way for Albertha Fields Circle include obtaining a contractor to perform a field survey, researching ownership, preparing letters and deeds, and providing time for owner consideration and questions or discussions. The timeline associated with this process has been approximately six months. After sending two written requests, the Engineering Department has obtained 5 of 9 signed right of way deeds. Two of the property owners have not responded. Two other parcels are heirs properties which will require condemnation in order to ensure a marketable title. Condemnation of these four remaining parcels will be necessary to complete the right-of-way effort for Albertha Fields Circle. All of the other resident owners of Albertha Fields Circle have provided full support for its improvements.

The Engineering Department recommends approval for condemnation of the remaining four right of way parcels on Albertha Fields Circle in order to facilitate paving of the road.

FOR ACTION. Public Facilities Committee on January 19, 2016.

RECOMMENDATION. The Public Facilities Committee approve and recommend to County Council the condemnation of the four remaining right-of-way parcels needed on Albertha Fields Circle in order to improve the dirt road in a future dirt road paving contract.

Re: Albertha Fields Circle --- Right-Of-Way Acquisition

Tax Map #: R700 015 000 0170 0000

Dear Mr. Carr:

Albertha Fields Circle is dirt road that abuts and/or traverses your property which is referenced above by Tax Map#. In order for Beaufort County to legally maintain and improve dirt roads, we must ensure that the road is within the public domain and not private property. Per County ordinance we are compelled to secure a 50'-wide road right-of-way (generally 25 feet on each side of the existing roadway centerline) from the adjacent property owners for the purpose of maintenance and safety. The 50' right-of-way allows the County to expend public funds on the road.

Our road survey indicates that the County must acquire a 0.213 acre (9,264 SF) portion of your property in order to assemble a 50' right-of-way. Therefore, we are requesting that you convey this strip of land to the County using the enclosed quitclaim deed. The area to be conveyed is shown in Exhibit "A" of the deed.

If you want Albertha Fields Circle to continue to be maintained by Beaufort County, we ask that you:

- 1) Sign the enclosed deed,
- 2) Have it notarized, and
- 3) Return it to our office in the enclosed self-addressed envelope. If you live in Beaufort County, we will come to your home and notarize the deed ourselves. Just contact us at 255-2700 to make arrangements. If you do not wish to convey your interest in the roadway, please return the unsigned deed to us as soon as possible.

While you are under no obligation to honor our request, please be advised that if we are unable to assemble a 50'-wide right-of-way, Albertha Fields Circle will revert to private road status and the County will no longer maintain it. You should also be aware that many lending institutions and mortgage service companies now require owners of property on private roadways to establish and maintain a private roadway maintenance agreement as part of their loan documentation or closing requirements. A private roadway maintenance agreement must be paid for by all of the property owners benefited by the private roadway.

If you have any questions or concerns, please contact Eric Klatt at (843) 255-2700.

Sincerely,

Robert McFee, PE
Director of Facilities and Construction Engineering

These projects included the replacement of the Perryclear Bridge at a funding cost of \$1 million and HVAC replacements at 9 County buildings at a funding cost of \$2,111,500.

The Perryclear Bridge replacement construction has been completed and accepted with a total expenditure of only \$907,523. FOR ACTION. Public Facilities Committee on January 19, 2016.

AH **RECOMMENDATION.** That the Public Facilities Committee approve and recommend to County Council the application of \$92,477 in 2015 GO Bond funds from the completed Perryclear Bridge replacement to the 9 HVAC replacement 2015 GO Bond funds. BE IT ORDAINED BY THE COUNTY COUNCIL OF BEAUFORT COUNTY, SOUTH CAROLINA, AS FOLLOWS:

SECTION 1. Findings and Determinations. The County Council (the "County Council"), of Beaufort County, South Carolina (the "County"), hereby finds and determines:

(a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended (the "Code"), and the results of a referendum held in accordance therewith, the Council-Administrator form of government was adopted and the County Council constitutes the governing body of the County.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the "Constitution"), provides that each county shall have the power to incur bonded indebtedness in such manner and upon such terms and conditions as the General Assembly shall prescribe by general law. Such debt must be incurred for a public purpose and a corporate purpose in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such county.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding its applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) The assessed value of all the taxable property in the County as of June 30, 2013, is \$1,824,698,184. Eight percent of the assessed value is \$145,975,855. Also as of June 30, 2013, the outstanding general obligation debt of the County subject to the limitation imposed by Article X, Section 14(7) of the Constitution is \$92,854,428. Thus, the County may incur not exceeding \$53,121,427 of additional general obligation debt within its applicable debt limitation. n debt within its applicable debt limitation.

Simultaneously with the issuance of the Series 2014A Bonds (hereinafter defined), the County intends to issue its not exceeding \$2,350,000 general obligation bonds, the final par amount of which will also count against the County's constitutional debt limit.

(f) It is now in the best interest of the County for the County Council to provide for the issuance and sale of not exceeding \$17,100,000 aggregate principal amount general obligation bonds of the County, the proceeds of which will be used for the following purposes: (i) funding capital improvement projects (the "Projects"); (ii) paying costs of issuance of the Series 2014A Bonds; and (iii) such other lawful purposes as the County Council shall determine.

(g) Pursuant to Ordinance No. 2012/10 enacted by County Council on August 13, 2012, the County has adopted Written Procedures Related to Tax-Exempt Debt.

SECTION 2. Authorization and Details of Series 2014A Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued not exceeding \$17,100,000 aggregate principal amount of general obligation bonds of the County to be designated "17,100,000 (or such lesser amount issued) General Obligation Bonds, Series 2014A or such other appropriate series designation, of Beaufort County, South Carolina" (the "Series 2014A Bonds"), for the purpose set forth in Section 1(f) and other costs incidental thereto, including without limiting the generality of such other costs, engineering, financial and legal fees.

In case any Series 2014A Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Series 2014A Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Series 2014A Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. All expenses necessary for the providing of any duplicate Series 2014A Bond shall be borne by the applicant therefor.

The Series 2014A Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chairman of the County Council attested by the manual or facsimile signature of the Clerk to the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Series 2014A Bonds may be those of the officers who are in office on the date of enactment of this Ordinance. The execution of the Series 2014A Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Series 2014A Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Series 2014A Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Series 2014A Bonds. The Series 2014A Bonds and the certificate of authentication shall be in substantially the form set forth in Exhibit A attached hereto and incorporated herein by reference.

SECTION 9. Security for Series 2014A Bonds. The full faith, credit, and taxing power of the County are hereby irrevocably pledged for the payment of the principal of and interest on the Series 2014A Bonds as they respectively mature, and for the creation of such sinking fund as may be necessary therefor. There shall be levied annually by the County Auditor and collected by the County Treasurer, in the same manner as other county taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the principal of and interest on the Series 2014A Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

The County Council shall give the County Auditor and County Treasurer written notice of the delivery of and payment for the Series 2014A Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Series 2014A Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Series 2014A Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit B, having been published in *The Island Packet* and *The Beaufort Gazette*, newspapers of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 11. Initiative and Referendum. The County Council hereby delegates to the County Administrator and/or his lawfully-authorized designee the authority to determine whether the Notice prescribed under the provisions of Section 5 of Title 11, Chapter 27 of the Code relating to the initiative and referendum provisions contained in Title 4, Chapter 9, Article 13 of the Code shall be given with respect to this Ordinance. If said Notice is given, the County Administrator and/or his lawfully-authorized designee are authorized to cause such Notice to be published in a newspaper of general circulation in the County, in substantially the form attached hereto as Exhibit C.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Series 2014A Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code from all State, county, municipal, County and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Tax Covenants. The County hereby covenants and agrees with the holders of the Series 2014A Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Series 2014A Bonds to become includable in the gross income of the holders of the Series 2014A Bonds for federal income tax purposes pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder (the "IRC") in effect on the date of original issuance of the Series 2014A Bonds. The County further covenants and agrees with the holders of the Series 2014A Bonds that no use of the proceeds of the Series 2014A Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Series 2014A Bonds would have caused the Series 2014A Bonds to be "arbitrage bonds," as defined in Section 148 of the IRC, and to that end the County hereby shall:

(a) comply with the applicable provisions of Sections 103 and 141 through 150 of the IRC and any regulations promulgated thereunder so long as the Series 2014A Bonds are outstanding;

(b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required rebates of certain amounts to the United States; and

(c) make such reports of such information at the time and places required by the IRC.

SECTION 14. Book-Entry System. The Series 2014A Bonds initially issued (the "Initial Series 2014A Bonds") will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York ("DTC"), and transfers of beneficial ownership of the Initial Series 2014A Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Series 2014A Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Series 2014A Bonds shall be issued in fully-registered form, one Series 2014A Bond for each of the maturities of the Series 2014A Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Series 2014A Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Series 2014A Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Series 2014A Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Series 2014A Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Series 2014A Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Series 2014A Bonds of the same principal amount, interest rate, and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Series 2014A Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of

any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Series 2014A Bonds by mailing an appropriate notice to DTC, upon receipt by the County the Initial Series 2014A Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Series 2014A Bonds in fully-registered form, in substantially the form set forth in Section 8 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Series 2014A Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

SECTION 15. Sale of Series 2014A Bonds, Form of Notice of Sale. The Series 2014A Bonds shall be offered for public sale on the date and at the time designated by the County Administrator and/or his lawfully-authorized designee. A Notice of Sale in substantially the form set forth as Exhibit D attached hereto and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper of general circulation in the State of South Carolina and/or in a financial publication published in the City of New York not less than seven (7) days prior to the date set for such sale.

SECTION 16. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the County Administrator and/or his lawfully-authorized designee to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Series 2014A Bonds together with the Notice of Sale. The County Council authorizes the County Administrator to designate the Preliminary Official Statement as "final" for purposes of Rule 15c2-12 of the Securities Exchange Commission. The County Administrator and/or his lawfully-authorized designee are further authorized to see to the completion of the final form of the Official Statement upon the sale of the Series 2014A Bonds so that it may be provided to the purchaser of the Series 2014A Bonds.

SECTION 17. Filings with Central Repository. In compliance with Section 11-1-85 of the Code, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of the annual financial report of the County within thirty (30) days from the County's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which adversely affects more than five (5%) percent of the revenues of the County or the County's tax base.

SECTION 18. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") the County covenants and agrees for the benefit of the holders from time to time of the Series 2014A Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement in substantially the form appearing as Exhibit E attached to this Ordinance. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by this Ordinance.

SECTION 19. Deposit and Use of Proceeds. <u>Year</u>	<u>Principal Amount*</u>	<u>Year</u>	<u>Principal Amount*</u>
-------------	--------------------------	-------------	--------------------------

*Preliminary, subject to adjustment.

Adjustment of Maturity Schedule. The County reserves the right, in its sole discretion, either to decrease or increase the principal amount of the Series 2014A Bonds maturing in any year (all calculations to be rounded to the near \$5,000), provided that any such decrease or increase shall not exceed 10% of the Series 2014A Bonds. Such adjustment(s), if any, shall be made within twenty-four (24) hours of the award of the Series 2014A Bonds. In order to calculate the yield on the Series 2014A Bonds for federal tax law purposes and as a condition precedent to the award of the Series 2014A Bonds, bidders must disclose to the County in connection with their respective bids the price (or yield to maturity) at which each maturity of the Series 2014A Bonds will be reoffered to the public.

Nevertheless, the award of the Series 2014A Bonds will be made to the bidder whose proposal produces the lowest true interest cost solely on the basis of the Series 2014A Bonds offered, without taking into account any adjustment in the amount of the Series 2014A Bonds pursuant to this paragraph.

The Series 2014A Bonds will bear interest from the date thereof payable semiannually on _____ and _____ of each year, commencing _____, until they mature.

[Redemption Provisions]

Bidders are not limited as to the number of rates of interest named, but the rate of interest on each separate maturity must be the same single rate for all Series 2014A Bonds of that maturity from their date to such maturity date. A bid for less than all the Series 2014A Bonds, a bid at a price less than par or a bid which includes a premium in excess of 10% of the par amount of the Series 2014A Bonds will not be considered. In addition to the bid price, the successful bidder must pay accrued interest from the date of the Series 2014A Bonds to the date of full payment of the purchase price.

Award of Bid. The Series 2014A Bonds will be awarded to the bidder or bidders offering to purchase the Series 2014A Bonds at the lowest true interest cost (TIC) to the County. The TIC will be the nominal interest rate which, when compounded semiannually and used to discount all debt service payments on the Series 2014A Bonds (computed at the interest rates specified in the bid and on the basis of a 360-day year of twelve 30-day months) to the dated date of the Series 2014A Bonds, results in an

amount equal to the price bid for the Series 2014A Bonds. In the case of a tie bid, the winning bid will be awarded by lot. The County reserves the right to reject any and all bids or to waive irregularities in any bid. Bids will be accepted or rejected no later than 3:00 p.m., South Carolina time, on the date of the sale.

Within seven (7) business days after the award of the Series 2014A Bonds, the County will deliver the Official Statement to the successful bidder in sufficient quantity to comply with Rule G-32 of the Municipal Securities Rulemaking Board. The successful bidder agrees to supply to the County all necessary pricing information and any Underwriter identification necessary to complete the Official Statement within 24 hours after the award of the Series 2014A Bonds.

Any failure by a party to perform in accordance with this Disclosure Agreement shall not constitute a default on the Series 2014A Bonds or under any other document relating to the Series 2014A Bonds, and all rights and remedies shall be limited to those expressly stated herein.

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. (a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended, and the results of a referendum held in accordance therewith, the Council-Administrator form of government was adopted and the County Council constitutes the governing body of the County.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the "Constitution"), provides that each county shall have the power to incur bonded indebtedness in such manner and upon such terms and conditions as the General Assembly shall prescribe by general law. Such debt must be incurred for a public purpose and a corporate purpose in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such county.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding its applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended ("Title 11, Chapter 27"), provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(g) The Series 2007 Bonds maturing on or after March 1, 2018, are subject to redemption at the option of the County on or after March 1, 2017, as a whole or in part at any time, and if in part in such order of redemption of maturity as selected by the County, at par, together with the interest accrued thereon to the date fixed for redemption.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 7. Execution of Bonds. The Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chairman of the County Council attested by the manual or facsimile signature of the Clerk to the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Bonds may be those of the officers who are in office on the date of enactment of this Ordinance. The execution of the Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Bonds. The Bonds and the certificate of authentication shall be in substantially the form set forth in Exhibit A attached hereto and incorporated herein by reference.

The full faith, credit, and taxing power of the County are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds as they respectively mature, and for the creation of such sinking fund as may be necessary therefor. There shall be levied annually by the County Auditor and collected by the County Treasurer, in the same manner as other county taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

The County Council shall give the County Auditor and County Treasurer written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit B, having been published in *The Island Packet* and *The Beaufort Gazette*, newspapers of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 11. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code of Laws of South Carolina 1976, as amended, from all State, county, municipal, County and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 12. Tax Covenants. The County hereby covenants and agrees with the holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the holders of the Bonds for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of the Bonds. The County further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be “arbitrage bonds,” as defined in Section 148 of the Code, and to that end the County hereby shall:

- (a) comply with the applicable provisions of Sections 103 and 141 through 150 of the Code and any regulations promulgated thereunder so long as the Bonds are outstanding;

The Bonds initially issued (the “Initial Bonds”) will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York (“DTC”), and transfers of beneficial ownership of the Initial Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Bonds shall be issued in fully-registered form, one Bond for each of the maturities of the Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Bonds of the same principal amount, interest rate, and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Bonds by mailing an appropriate notice to DTC, upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Bonds in fully-registered form, in substantially the form set forth in Section 8 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

SECTION 14. Sale of Bonds, Form of Notice of Sale. The Bonds shall be offered for public sale on the date and at the time designated by the County Administrator and/or his lawfully-authorized designee. A Notice of Sale in substantially the form set forth as Exhibit C attached hereto and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper of general circulation in the State of South Carolina and/or in a financial publication published in the City of New York not less than seven (7) days prior to the date set for such sale.

SECTION 15. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the County Administrator and/or his lawfully-authorized designee to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Bonds together with the Notice of Sale. The County Council authorizes the County Administrator to designate the Preliminary Official Statement as “final” for purposes of Rule 15c2-12 of the Securities Exchange Commission. The County Administrator and/or his lawfully-authorized designee are further authorized to see to the completion of the final form of the Official Statement upon the sale of the Bonds so that it may be provided to the purchaser of the Bonds.

SECTION 16. Filings with Central Repository. In compliance with Section 11-1-85, South Carolina Code of Laws 1976, as amended, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of the annual financial report of the County within thirty (30) days from the County’s receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which adversely affects more than five (5%) percent of the revenues of the County or the County’s tax base.

SECTION 17. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the “Rule”) the County covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement in substantially the form appearing as Exhibit D attached to this Ordinance. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by this Ordinance.

SECTION 18. Deposit and Use of Proceeds. The proceeds derived from the sale of the Bonds necessary to refund the Bonds to be Refunded shall be deposited with the Paying Agent for the 2007 Bonds and used to redeem the Bonds to be Refunded. The remaining proceeds, if any, shall be deposited at the direction of the County Treasurer in a special fund to the credit of the County and shall be applied solely to the purposes for which the Bonds have been issued, including payment of costs of issuance of the Bonds.

SECTION 19. Defeasance. The obligations of the County under this Ordinance and the pledges, covenants and agreements of the County herein made or provided for, shall be fully discharged and satisfied as to any portion of the Bonds, and such Bond or Bonds shall no longer be deemed to be outstanding hereunder when:

(a) such Bond or Bonds shall have been purchased by the County and surrendered to the County for cancellation or otherwise surrendered to the County or the Paying Agent and is canceled or subject to cancellation by the County or the Paying Agent; or

(b) payment of the principal of and interest on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with a corporate trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment, or (2) Government Obligations (hereinafter defined) maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the corporate trustee. At such time as the Bonds shall no longer be deemed to be outstanding hereunder, such Bonds shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government Obligations, shall no longer be secured by or entitled to the benefits of this Ordinance.

One Bond representing each maturity will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), as registered owner of the Bonds and each such Bond will be immobilized in the custody of DTC. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only, in the principal amount of \$5,000 or any integral multiple thereof not exceeding the principal amount of Bonds maturing each year; Purchasers will not receive physical delivery of certificates representing their interest in the Bonds purchased. The winning bidder, as a condition to delivery of the Bonds, will be required to deposit the Bond certificates representing each maturity with DTC.

The Bonds will be issued in fully-registered form registered as to principal and interest; will be dated _____, 2016; will be in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of Bonds maturing in each year; and will mature serially in successive annual installments on _____ in each of the years and in the principal amounts as follows:

<u>Year</u>	<u>Principal Amount*</u>	<u>Year</u>	<u>Principal Amount*</u>
-------------	--------------------------	-------------	--------------------------

*Preliminary, subject to adjustment.

Adjustment of Maturity Schedule. The County reserves the right, in its sole discretion, either to decrease or increase the principal amount of the Bonds maturing in any year (all calculations to be rounded to the near \$5,000), provided that any such decrease or increase shall not exceed 10% of the Bonds. Such adjustment(s), if any, shall be made within twenty-four (24) hours of the award of the Bonds. In order to calculate the yield on the Bonds for federal tax law purposes and as a condition precedent to the award of the Bonds, bidders must disclose to the County in connection with their respective bids the price (or yield to maturity) at which each maturity of the Bonds will be reoffered to the public.

In the event of any adjustment of the maturity schedule for the Bonds as described herein, no rebidding or recalculation of the proposals submitted will be required or permitted. Nevertheless, the award of the Bonds will be made to the bidder whose proposal produces the lowest true interest cost solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of the Bonds pursuant to this paragraph.

The Bonds will bear interest from the date thereof payable semiannually on _____ and _____ of each year, commencing _____, until they mature.

[Redemption Provisions]

Registrar/Paying Agent: Wells Fargo Bank, N.A., will serve as Registrar/Paying Agent for the Bonds.

Bid Requirements: Bidders shall specify the rate or rates of interest per annum which the Bonds are to bear, to be expressed in multiples of 1/20 or 1/8 of 1% and the interest rate specified for any maturity shall not be lower than the interest rate specified for any previous maturity. Bidders are not limited as to the number of rates of interest named, but the rate of interest on each separate maturity must be the same single rate for all Bonds of that maturity from their date to such maturity date. A bid for less than all the Bonds, a bid at a price less than par or a bid which includes a premium in excess of 10% of the par amount of the Bonds will not be considered. In addition to the bid price, the successful bidder must pay accrued interest from the date of the Bonds to the date of full payment of the purchase price.

Award of Bid. The Bonds will be awarded to the bidder or bidders offering to purchase the Bonds at the lowest true interest cost (TIC) to the County. The TIC will be the nominal interest rate which, when compounded semiannually and used to discount all debt service payments on the Bonds (computed at the interest rates specified in the bid and on the basis of a 360-day year of twelve 30-day months) to the dated date of the Bonds, results in an amount equal to the price bid for the Bonds. In the case of a tie bid, the winning bid will be awarded by lot. The County reserves the right to reject any and all bids or to waive irregularities in any bid. Bids will be accepted or rejected no later than 3:00 p.m., South Carolina time, on the date of the sale.

Security: The full faith, credit, and taxing power of the County are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds as they respectively mature, and for the creation of such sinking fund as may be necessary therefor. There shall be levied annually by the Auditor of the County and collected by the Treasurer of the County, in the same manner as other county taxes are levied and collected, an ad valorem tax, without limit, on all taxable property in the County sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

Good Faith Deposit: No good faith deposit is required.

Bid Form: Proposals should be enclosed in a separate sealed envelope marked “Proposal for \$_____ General Obligation Refunding Bonds, Series 2016_ of Beaufort County, South Carolina” and should be directed to the County Administrator at the address in the first paragraph hereof. It is requested but not required that you submit your bid on the Proposal for Purchase of Bonds supplied with the Official Statement.

The successful bidder agrees to supply to the County all necessary pricing information and any Underwriter identification necessary to complete the Official Statement within 24 hours after the award of the Bonds.

Continuing Disclosure: In order to assist the bidders in complying with S.E.C. Rule 15c2-12(b)(5), the County will undertake, pursuant to an ordinance and a disclosure dissemination agent agreement, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Legal Opinion: The County Council shall furnish upon delivery of the Bonds the final approving opinion of McNair Law Firm, P.A., Columbia, South Carolina, which opinion shall accompany each Bond, together with the usual closing documents, including a certificate of the County that no litigation is pending affecting the Bonds.

Certificate as to Issue Price: The successful bidder must provide a certificate to the County by the date of delivery of the Bonds, stating the initial reoffering price of the Bonds to the public (excluding bond houses and brokers) and the price at which a substantial amount of the Bonds were sold to the public, in form satisfactory to Bond Counsel. A sample copy of such a certificate may be obtained from Bond Counsel.

Delivery: The Bonds will be delivered on or about _____, 2016, in New York, New York, at the expense of the County. The balance of the purchase price then due, including the amount of accrued interest, must be paid in federal funds or other immediately available funds.

The parties hereto acknowledge that the Issuer is not obligated pursuant to the terms of this Disclosure Agreement to file any Voluntary Event Disclosure pursuant to Section 7(a) hereof or any Voluntary Financial Disclosure pursuant to Section 7(b) hereof.

Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information through the Disclosure Dissemination Agent using the means of dissemination set forth in this Disclosure Agreement or including any other information in any Annual Report, Audited Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure, in addition to that required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report, Audited Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Audited

Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure.

SECTION 8. Termination of Reporting Obligation. The obligations of the Issuer and the Disclosure Dissemination Agent under this Disclosure Agreement shall terminate with respect to the Bonds upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Disclosure Dissemination Agent of an opinion of counsel expert in federal securities laws to the effect that continuing disclosure is no longer required.

SECTION 9. Disclosure Dissemination Agent. The Issuer has appointed Digital Assurance Certification, L.L.C. as exclusive Disclosure Dissemination Agent under this Disclosure Agreement. The Issuer may, upon thirty days written notice to the Disclosure Dissemination Agent and the Trustee, replace or appoint a successor Disclosure Dissemination Agent. Upon termination of DAC's services as Disclosure Dissemination Agent, whether by notice of the Issuer or DAC, the Issuer agrees to appoint a successor Disclosure Dissemination Agent or, alternately, agrees to assume all responsibilities of Disclosure Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. Notwithstanding any replacement or appointment of a successor, the Issuer shall remain liable until payment in full for any and all sums owed and payable to the Disclosure Dissemination Agent. The Disclosure Dissemination Agent may resign at any time by providing thirty days' prior written notice to the Issuer.

SECTION 10. Remedies in Event of Default. In the event of a failure of the Issuer or the Disclosure Dissemination Agent to comply with any provision of this Disclosure Agreement, the Holders' rights to enforce the provisions of this Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the parties' obligation under this Disclosure Agreement. Any failure by a party to perform in accordance with this Disclosure Agreement shall not constitute a default on the Bonds or under any other document relating to the Bonds, and all rights and remedies shall be limited to those expressly stated herein.

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Disclosure Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Issuer has provided such information to the Disclosure Dissemination Agent as required by this Disclosure Agreement. The Disclosure Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Disclosure Dissemination Agent shall have no duty or obligation to review or verify any Information or any other information, disclosures or notices provided to it by the Issuer and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Disclosure Dissemination Agent shall have no responsibility for the Issuer's failure to report to the Disclosure Dissemination Agent a Notice Event or a duty to determine the materiality thereof. The Disclosure Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Issuer has complied with this Disclosure Agreement. The Disclosure Dissemination Agent may conclusively rely upon Certifications of the Issuer at all times.

The reasonable fees and expenses of such counsel shall be payable by the Issuer.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

SECTION 12. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Disclosure Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to both the Issuer and the Disclosure Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of Holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided neither the Issuer or the Disclosure Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.

Notwithstanding the preceding paragraph, the Disclosure Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission from time to time by giving not less than 20 days written notice of the intent to do so together with a copy of the proposed amendment to the Issuer.
