Re: 2018 CDBG Recommended Needs Assessment Prioritization

Based on a recent review and discussion by Administrative staff of potential projects that may qualify for the Community Development Block Grant (CDBG) Program, we submit the following recommendation of rankings for consideration and approval. A public hearing seeking public input on community needs and priorities for housing, public facilities, and economic development occurred during the regular meeting of Beaufort County Council on January 22, 2018.

Project Type Priorities:

1. Neighborhood Improvement Projects (multiple activities) in low-to-moderate income (LMI) areas or others as identified.
2. Public Infrastructure and Facilities Projects, which may include water/sewer improvements or upgrades and sanitary sewer extensions, in LMI areas or others as identified.
3. Community Infrastructure or Enrichment Projects to support new and/or existing businesses and/or education and workforce development.

Should you have any questions or need additional information, please let me know.
