ACTION ITEMS

Item: Library Systems Update: Approval – Proceeding with Interior Renovations at the Bluffton Branch Library and the Hilton Head Branch Library (Phase 2) Based on the Completed Phase 1 Library Interior Space Study with Funding to Come From Library Impact Fees – Ray McBride, Library Director

Discussion: Mr. McBride thanked the committee and stated that the Library Board of Trustees, Library Staff, and all of their supporters are always striving to save taxpayer dollars and to be efficient with every dollar they get in their budget now and in the future. It has been proven time and again that every \$1 in funding that goes to a public library, we return \$6 in library services. Mr. McBride went over some precursors he wanted the committee to think about:

1. The existing library portion of the Comprehensive Plan called for \$58 million in capital costs for 5 new library facilities and the renovation of 3 existing. With the participation and approval of the Library Board of Trustees, we have drafted a revised and realistic library portion of the plan that would cut the need for new library facilities to 2 and reduce the future capital costs to around \$15 million. A potential savings to the residents of Beaufort County of \$43 million.
2. The introduction of 2 book mobiles with no increase in library operating budget has helped to buy time while we plan to buy these future facilities. The associated increase of 70 hours of library service to the public each week has been very well received.
3. The current Library Impact Fee Ordinance ends in approximately 1 year. While there is an ongoing study for future impact fees, I urge you not to lose sight of State Law and County Ordinance as relates to the expenditure of existing Library Impact Fees.
4. Lastly, thank you as always for your dedication to Beaufort County and your support of our library system.

Mr. McBride stated the agenda items are 2 in particular. Completed this past April was a Library Facilities Space Utilization Study of the 2 existing branches in Bluffton and Hilton Head. Today, we are proposing to move forward with Phase 2 of this study and with only selected portions. Picking the highest 2 priorities, 1 at the Bluffton Library which is expanding the Children's Department space to 3 times the size. Since the door count of the Bluffton Library has increased to 16,000 visits per month there are over 200 children in a very small compact area. Based on the space study we need to get with facilities to get some bids or quotes on what it would cost now to implement that 1 portion of the study. At the Hilton Head branch, bookmobile staff at that branch, extending the staff area so we can accommodate that increased operations of the bookmobile there. We are only asking permission to work with facilities to get quotes and bids on those 2 individual segments. Also, to be allowed to go ahead and work with facilities and look at potential sites in the Pritchardville/Okatie/Sun City area for a potential new 15,000 square foot Bluffton Branch Library. Within the last 5 years library services have changed in which we require less books, more space for meetings, and more space for the community to be active in. In our new CIP, we have 3 priorities for new facilities.

Mr. McBride asked that they be able to move forward and work with County Administration and Facilities to look at initial investigation for the future.

Councilman Covert asked if Mr. McBride had an estimated conceptual figure for the revision to the existing library.

Mr. McBride answered that is why he is seeking permission to get the bids for these projects. The architect was only tasked with developing the potential interior spaces that would solve our problem in Phase 1. Phase 2 is to get those bids.

Councilman McElynn asked how much is in the Library Impact Fee Account.

Mr. McBride answered in the Bluffton Library Impact Fee Account is \$2,739,697.58. The Hilton Head Library Impact Fee account contains \$361,011.80.

Councilman Glover asked Administrator Jacobs, would the library for Pritchardville be included or separate in the facility study.

Mr. McBride answered that both of these projects are already in the CIP. The 5 new branches are included in the existing CIP. However, the library states they do not need 5 new libraries there is only 2 libraries needed in these areas and that could potentially save \$43 million.

Councilman McElynn asked what the timeframe to complete this project will be.

Mr. McBride answered it would be subject to facilities and committees getting approval to expend those funds and cost, until then he cannot give a timeframe.

Councilman McElynn asked if the goal is to get it done before the fees expire.

Mr. McBride confirmed this and does not want to miss a step.

Councilman McElynn asked how many miles the new library is from the Bluffton Library.

Mr. McBride answered about 4-5 miles where all of the development is going in. There are about 30,000 potential customers in the Pritchardville area. In 10 years, it will be an estimated 50,000.

Councilman McElynn asked how big the Bluffton Library is.

Mr. McBride answered about 32,000 feet.

Councilman McElynn applauded Mr. McBride for the reduction of the \$43 million on the plan. Also, while introducing a good program for the new residents in the area.

Motion: It was moved by Councilman Covert, seconded by Councilman Glover to approve proceeding with interior renovations at the Bluffton Branch Library and the Hilton Head Branch Library (Phase 2) Based on the Completed Phase 1 Library Interior Space Study with Funding to

come from the Library Impact Fees. The vote: YAYS – Councilman McElynn, Councilman Covert, Councilman Glover, and Councilwoman Howard. The motion passed.

Recommendation: Council proceed with interior renovations at the Bluffton Branch Library and the Hilton Head Branch Library (Phase 2) based on the completed Phase 1 Library Interior Space Study with funding to come from Library Impact Fees.

ACTION ITEMS

Item: Library Systems Update regarding options available for a Pritchardville area/ New Riverside Branch as well as expansion of the Burton Wells Branch – Ray McBride, Library Director

Discussion: Mr. McBride started the discussion with addressing the options available for the Prichardville/ New Riverside Branch. His staff has been looking at options for new branches within the library system. Mr. McBride reminded the committee that library impact fees are not collected in the City of Beaufort and the Town of Port Royal however, both councils have stated they are willing to revisit this issue once the new impact fee study is complete. Fees have not been adjusted in the last ten years but Mr. McBride feels they will be adjusted after the new study. Currently there are five impact fee districts in Beaufort County and he believes the new proposal will change that to two districts, north and south of the broad. Mr. McBride provided the committee with the current status of library impact fees collected. Impact fees can be utilized for both proposed projects. Bluffton library impact fees = \$2,819,714. 00 and Burton library impact fees = \$585,266.00

Those wishing to examine the numbers provided may refer to backup materials in the agenda posted online

The cost associated with the revised Library Facilities Master Plan is approximately ten million dollars. The only two new facilities the board of trustees feels are needed are Prichardville and Burton Wells. The developer's proposal includes three options.

Robert Small, with Avtex Commercial Properties, spoke as to the design and layout of the proposed Prichardville site branch. The layout allows for visibility of the library both day and night. Option one consist of Avtex selling the 1.25 acres to the library system for \$800,000 an acre. Option two consist of the library system leasing the property from Avtex and renting for 15 years at 6 ½ percent totaling \$422, 000 a year. Option three consist of a ten year lease with an option for buyout.

Motion: It was moved by Councilwoman Howard, seconded by Councilman Hervochoch to refer the three options for the Prichardville / New River Branch back to executive staff for recommendation on how council should proceed with a very clear understanding of where the funding for this project would be coming from. The vote: YEAS – Councilman Covert, Councilman Hervochoch, Councilman Rodman, Councilman Glover, Councilman Sommerville, Councilwoman Howard, Councilman Passiment and Councilman McElynn. The motion passed.

Discussion: Mr. McBride stated expanding to Burton Wells has been in the library's plan for well over ten years but has been dropped by the wayside. There is no branch library in the Burton Wells area. Currently customers must drive to downtown Beaufort or to the Lobeo library. Potential

branch in the Burton-Wells area could potentially serve 10,000 customers. This library would be twice the size of the Lobeco branch.

Motion: It was moved by Councilman Dawson, seconded by Councilman Glover to allow Mr. McBride to begin an inquiry in corporation with Mr. Phil Foot to explore the possibility of placement of a 5,000 square foot facility at the Burton Wells Recreation Center. The vote: YEAS – Councilman Covert, Councilman Hervochoon, Councilman Rodman, Councilman Glover, Councilman Sommerville, Councilwoman Howard, Councilman Passiment and Councilman McElynn. The motion passed.

Recommendation: For Mr. McBride to begin an inquiry in corporation with Mr. Phil Foot to explore the possibility of placement of a 5,000 square foot facility at the Burton Wells Recreation Center.

CITIZEN COMMENTS

Mrs. Tabernik, with the Library Board of Trustees, stated Beaufort Libraries have exploded over the past few years and now offer services they never dreamt of. The Burton Wells Branch would be a great opportunity and the Prichardville Branch would take care of the growth in that area.

This AGREEMENT is made and entered into this ___ day of ___ 2019, by and between the Beaufort County Alcohol and Drug Abuse Department (“Claimant Agency”) and the South Carolina Association of Counties (“SCAC”) in furtherance of Act No 114, 1999 S.C. acts codifying the 1999 amendments to the Setoff Debt Collection Act, S.C. Code § 12-56-10 *et seq.*

WHEREAS, the Setoff Debt Collection Act, S.C. Code §12-56-10 *et seq.* (2003), authorizes the South Carolina Department of Revenue (“Department”) to render assistance to collect any delinquent account or debt owing to any Claimant Agency by the Department’s setting off any income tax refunds due to a debtor by the sum certified by the Claimant Agency as a delinquent debt; and

WHEREAS, the Claimant Agency desires to enter into this Agreement with SCAC in order to participate in the Setoff Debt Collection Act to increase the collection rate of delinquent debts owed to Claimant Agency; and

WHEREAS, SCAC is a political subdivision for purposes of the Setoff Debt Collection Act and is authorized to submit claims on behalf of its members, other political subdivisions and Claimant Agencies as defined in S.C. Code §12-56-10 *et seq.* (1999);

NOW THEREFORE, in consideration of the mutual covenants and agreements, terms and conditions contained herein, it is hereby understood and agreed by and between the Claimant Agency and SCAC that:

1. The Claimant Agency is a state agency, board, committee, commission, public institution of higher learning, political subdivision of the State of South Carolina, South Carolina Student Loan Corporation, a housing authority established pursuant to Articles 5, 6, and 9 of Chapter 3 of Title 31 of the South Carolina Code or a member of SCAC and is authorized to participate in the Setoff Debt Collection Act.
2. The Claimant Agency hereby designates, appoints, and authorizes SCAC to process for submission to the Department, the Claimant Agency’s delinquent debts.

Delinquent debt means any sum due and owing to the Claimant Agency, including collections costs, administrative fees, court costs, fines, penalties and interest which have accrued through contract, subrogation, tort, operation of law or any other legal theory regardless of whether there is an outstanding judgment for that sum which is legally collectible and for which a collection effort has been or is being made. Delinquent debt does not include sums owed to a county hospital when the hospital and the debtor have entered into a written payment agreement and the debtor is current in meeting the obligations of the agreement.

3. SCAC agrees to submit delinquent debts to the Department. The Claimant Agency is responsible for complying with the notice and appeal provisions and other requirements of the Setoff Debt Collection Act.

4. Upon execution of this Agreement, Claimant Agency shall file a "Participation Form" with SCAC designating a Setoff Debt Coordinator with SCAC. The Setoff Debt Coordinator shall be the designated contact between SCAC and Claimant Agency for all communications and is authorized by Claimant Agency to carry out the requirements of the Setoff Debt Collection act, S.C. Code §12-56-10 *et seq.* (2003). The Setoff Debt Coordinator shall supply SCAC with any and all information which in the opinion of SCAC is necessary for the proper implementation of this Agreement.

5. The Claimant Agency shall use SCAC's "entity User Setoff Debt Software Program" or an ASCII file or Excel file layout specified by SCAC to prepare diskettes or electronic transfer files referred to herein as "debt files" and "adjustment to debt files." If, in the opinion of SCAC, change to the "entity User Setoff Debt Software program" or specifications of an ASCII file or Excel file are necessary to carry out this program, SCAC shall timely notify the Claimant Agency. The Claimant Agency covenants and agrees that it shall immediately implement any changes required by SCAC.

SCAC shall not accept a debt file or adjustment to debt file that is not prepared as specified by SCAC. SCAC will accept debt files that are electronically transferred through SCAC's File Transfer Protocol FTP software. Paper hard copies shall not be accepted.

Each "debt file" submitted to SCAC is deemed to bear a certification that the debts are owed and due to the Claimant Agency, for which prior efforts to collect have been made, and which Claimant Agency instructs SCAC to submit to the Department for collection from a debtor's tax refund. Each "adjustment to debt file" is deemed as authorization to SCAC to notify Department to reduce a previously submitted debt to the amount stated. A "debt file" and an "adjustment to debt file" shall have the certification provided in paragraph 6 affixed to it.

6. SCAC is not, and shall not be liable for a wrongful or improper setoff. Each "debt file" supplemental "debt file" or "adjustment to debt file" shall have affixed to it a "Certification Form" provided by SCAC, and executed by the Claimant Agency representative, which states:

"I hereby certify that the Claimant Agency for who the attached data diskette was prepared has complied with all the requirements of the Setoff Debt Collection act; that the Claimant Agency has properly given each individual debtor whose name appears in the data diskette the notice of intention to set off and the Claimant Agency's appeal procedures pursuant to S.C. Code §12-56-62; that the information contained in the attached data diskette has been reviewed by me and is, to the best of my knowledge and belief, true, correct, and complete."

7. Not less than thirty (30) days before a debt file with SCAC, Claimant Agency shall provide the debtor with the statutory notice advising the debtor of the Claimant Agency's intention to cause the debtor's tax refund to be set off.

8. Only after the required statutory thirty (30) days' notice is provided to debtor by Claimant Agency may Claimant Agency transmit a "debt file" to SCAC. Debt files shall be received in the SCAC offices on or before November 1 of the preceding calendar year in which the refund would be paid.

9. Upon receipt of Claimant Agency's "debt file," SCAC shall compile the information and submit the data to the Department on or before the close of business on December 15.

10. Debts totaling less than fifty (\$50.00) dollars per individual at the time the debt is first submitted to SCAC for setoff may not be submitted. This provision does not prohibit submitting in subsequent years under paragraph 12 of this Memorandum, those debts which were fifty (\$50.00) or more when first submitted to SCAC even though, in subsequent years, that debt is less than fifty (\$50.00) because of successful interception(s) resulting in partial payment of the delinquent debt.

If a debtor is due a refund of more than twenty-five dollars (\$25.00), the Department sets the tax refund off in the amount of the delinquent debt plus twenty-five dollars (\$25.00).

Pursuant to the S.C. Code §12-56-63 of the Setoff Debt Collection Act, as amended the South Carolina Department of Revenue shall add to each debt setoff the sum of \$25 to defray its administrative cost, and SCAC as claimant agent for the Entity, shall add \$25 to each "successful interception" as provided below, which shall be retained by SCAC to defray its administrative costs.

"Successful interception" means the Department matched a debt submitted by SCAC against a tax refund for interception and payment towards a delinquent debt owed to Claimant Agency. Payment shall be made as provided in paragraph 11.

11. Payment to SCAC by Claimant Agency for each successful interception is made as follows: SCAC will add the amount of the debt due Claimant Agency in the amount of twenty – five dollars (\$25.00) and retain said twenty-five dollars (\$25.00); provided, however, SCAC will not collect more than twenty- five dollars (\$25.00) from any one individual in a calendar year.

12. In the event of partial payment of a delinquent debt, the balance of the debt may be submitted in a following year and twenty-five dollars (\$25.00) shall be paid to SCAC for successful interception of a tax return in a subsequent year notwithstanding the previous year's interception and payment.

13. Claimant Agency acknowledges that Claimant Agency is responsible for the notice and hearing requirements of the Setoff Debt Collection Act and that SCAC is exempt from these provisions of the Setoff Debt Collection Act. The Claimant Agency affirms to SCAC that it will comply with the notice and hearing procedures required by S.C. Code §12-56-10 *et seq.*

14. The Claimant Agency shall file an "Appointment of Hearing Officer" form with SCAC certifying the appointment of a hearing officer. If the appointed hearing officer is unable to serve at any time, the Claimant Agency shall appoint another officer and file a new "Appointment of Hearing Officer" form with SCAC.

15. Within seven (7) calendar days of Claimant Agency's receipt of a debtor's Notice of Protest the Claimant agency shall send Notice of Protest to the Department and send a copy to SCAC. At the same time the Claimant Agency shall notify SCAC with an Adjustment to debt file" diskette marking the protested delinquent debt a protest account.

The Claimant Agency shall conduct a protest hearing in conformity with S.C. Code §12-56-65 and shall provide the Department and SCAC with a copy of the “verification of Hearing and “Decision of Hearing Officer” no later than seven (7) calendar days from the date these forms are executed by the hearing officer. If further appeal is taken, Claimant Agency shall immediately file copies of all pleadings and papers with the Department and SCAC. Upon resolution of protest, Claimant Agency shall notify SCAC of the resolution of the protest by sending an “adjustment to debt file” diskette (or other acceptable format) either reducing the balance or taking the debt out of protest status.

16. If the Claimant Agency is found to be entitled to no part of the amount of a setoff, it shall make a refund to the debtor in an amount equal to the amount of the debt plus the fee to the Department and the fee paid to SCAC along with interest, if any, as required by the Setoff Debt Collection Act.

17. SCAC shall remit to the Claimant Agency through a check or an electronic bank deposit funds received from the Department within a reasonable time from the date of receipt from the department. Thereafter, SCAC shall provide the Claimant Agency an accounting of the funds collected which will include the name of the debtor, the debtor’s social security number, and the amount of the setoff. The Claimant Agency shall provide debtors with proper notice of payment and balance, if any, as required by the Setoff Debt Collection Act.

18. The Claimant Agency shall hold SCAC free and harmless ~~and shall indemnify SCAC~~ against any and all damages, claims, causes of action, injuries, actions, liabilities or proceedings arising from the performance of SCAC unless such damages or liabilities arise from the negligent acts of SCAC or its agents.

19. This Memorandum of Understanding and Agreement shall remain and continue in full force and effect from year to year unless modified or terminated in writing by either party upon ninety (90) days written notice to the other party; provided, however, that any debts submitted by the Claimant Agency to SCAC shall continue to be covered under the terms and conditions of the agreement until SCAC is notified by the Department that it has completed the collection cycle for that setoff year.

20. This Memorandum of Understanding is solely between SCAC and the Claimant Agency and is not intended to benefit any other person or entity. No debtor and/or taxpayer or their spouse, family member, successor or assign is intended to be a third party beneficiary of this Memorandum of Understanding.

IN WITNESS WHEREOF, the parties hereto have caused this Memorandum of Understanding and Agreement to be properly executed on the day and year first above written.
