Official Proceedings
County Council of Beaufort County
May 27, 2014

The electronic and print media duly notified in
accordance with the State Freedom of Information Act.

CAUCUS

A caucus of the County Council of Beaufort County was held Monday, May 27, 2014 beginning at 4:00 p.m. in the large meeting room of the Bluffton Branch Library, 120 Palmetto Way, Bluffton, South Carolina.

ATTENDANCE

Chairman D. Paul Sommerville, Vice Chairman Stu Rodman and Councilmen Cynthia Bensch, Rick Caporale, Gerald Dawson, Brian Flewelling, Steven Fobes, William McBride, Gerald Stewart, Roberts "Tabor" Vaux and Laura Von Harten.

PLEDGE OF ALLEGIANCE

The Chairman led those present in the Pledge of Allegiance to the Flag.

DISCUSSION ITEMS

Council discussed removing item 9A, an ordinance to increase the minimum salary paid to Beaufort County Magistrates by eliminating progressive step pay increases, from the consent agenda.

Council discussed the \$18,500,000 general obligation bond sale. Bond counsel has suggested Council bifurcate the projects and adopt two separate ordinances. There are two basic reasons for separation. First, the airport is an enterprise fund; the sale is general obligation. Bond counsel is reviewing potential tax requirements as well as how these projects may affect airport operations. We do not believe there will be any taxation issues. The second reason is future identification. As time and years go by, the County will be able to have the ability to pull up this portion because it directly applies to the airport.

REGULAR SESSION

The regular meeting of the County Council of Beaufort County was held Monday, May 27, 2014 beginning at 5:00 p.m. in the large meeting room of the Bluffton Branch Library, 120 Palmetto Way, Bluffton, South Carolina.

PUBLIC COMMENT

The Chairman recognized Ms. Fran Morrall, a resident of Bluffton, who would prefer to pay her property taxes twice yearly, during the months of June and December. However, only quarterly payments of property taxes are allowable under local ordinance.

Mrs. Sally Murphy, a resident of Sheldon, commented on the paving of Huspah Drive, a 0.6 mile, two-lane road, with a posted speed limit of 35 miles per hour. This is too fast for our local conditions. Some residents already drive too fast on Huspah Drive, and will probably drive faster if the road is paved. Please table this item until a more reasonable solution can be worked out.

Ms. Connie Heme, a resident of Hilton Head Island, asked Council to maintain the Hilton Head Island Recreation Center FY 2013 funding level in FY 2014.

Notification: To view video of full discussion of this meeting please visit http://beaufort.granicus.com/ViewPublisher.php?view_id=2

Discussion: Beaufort County issued a Request for Proposals (RFP) from qualified firms to design and build the Dirt Road Paving Contract #48. The Design-Build proposal process differs from a typical construction bid, in that the proposers outline how they would accomplish the project within a specified cost. Proposals are reviewed on the value offered rather than solely on the lowest price. The Evaluation Committee interviewed the teams from BES Incorporated and Cleland Site Prep, LLC. The Committee selected BES Incorporated with Andrews & Burgess, Inc. and J. H. Hiers Construction as the proposer providing best value for the design and construction of this project.

Motion: It was moved by Mr. Flewelling, seconded by Mr. Fobes, that Public Facilities Committee recommend Council award a contract to BES Incorporated of Beaufort, Andrews & Burgess, and J. H. Notification: To view video of full discussion of this meeting please visit http://beaufort.granicus.com/ViewPublisher.php?view_id=2

Discussion: Major Road is a County-maintained dirt road located on Warsaw Island. The Public Works Department has maintained the 0.3-mile dirt road for more than 20 years. The Beaufort County Transportation Committee selected Major Road for the FY 2013/2014 - FY 2016/2017 Dirt Road Paving Program.

According to Section 106.2797 of the ZDSO and Policy Statement 17, the County should have deeded a 50-foot right of way for any dirt road before it can be included in a paving contract.

The Engineering Department has received 14 of 16 signed right of way deeds needed to condemn the road. The remaining one owner had two parcels titled in his name, is deceased, with his wife recently passing away. Condemnation of these two remaining parcels would be necessary to obtain a valid deed and complete the total right of way acquisition effort for Major Road. All of the other property owners have provided overwhelming support for this project.

Motion: It was moved by Mr. McBride, seconded by Mr. Flewelling, that Public Facilities Committee approve and recommend Council authorize the County Administrator to proceed with condemnation of two parcels on Major Road in order to facilitate paving. The vote: YEAS - Mrs. Bensch, Mr. Dawson, Mr. Flewelling, Mr. Fobes, Mr. McBride and Mr. Stewart. ABSENT - Mr. Caporale. The motion passed.

Recommendation: Council authorize the County Administrator to proceed with condemnation of two parcels on Major Road in order to facilitate paving.

SECTION 4. Registration, Transfer and Exchange of Series 2014A Bonds. The County shall cause books (herein referred to as the “registry books”) to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Series 2014A Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Series 2014A Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Series 2014A Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. In any such event the applicant for the issuance of a substitute Series 2014A Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. The Series 2014A Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chairman of the County Council attested by the manual or facsimile signature of the Clerk to the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Series 2014A Bonds may be those of the officers who are in office on the date of enactment of this Ordinance. The execution of the Series 2014A Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Series 2014A Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Series 2014A Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Series 2014A Bonds. The Series 2014A Bonds and the certificate of authentication shall be in substantially the form set forth in Exhibit A attached hereto and incorporated herein by reference.

SECTION 9. Security for Series 2014A Bonds. The full faith, credit, and taxing power of the County are hereby irrevocably pledged for the payment of the principal of and interest on the Series 2014A Bonds as they respectively mature, and for the creation of such sinking fund as may be necessary therefor. There shall be levied annually by the County Auditor and collected by the County Treasurer, in the same manner as other county taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the principal of and interest on the Series 2014A Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

The County Council shall give the County Auditor and County Treasurer written notice of the delivery of and payment for the Series 2014A Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Series 2014A Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Series 2014A Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit B, having been published in *The Island Packet* and *The Beaufort Gazette*, newspapers of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 11. Initiative and Referendum. The County Council hereby delegates to the County Administrator and/or his lawfully-authorized designee the authority to determine whether the Notice prescribed under the provisions of Section 5 of Title 11, Chapter 27 of the Code relating to the initiative and referendum provisions contained in Title 4, Chapter 9, Article 13 of the Code shall be given with respect to this Ordinance. If said Notice is given, the County Administrator and/or his lawfully-authorized designee are authorized to cause such Notice to be published in a newspaper of general circulation in the County, in substantially the form attached hereto as Exhibit C.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Series 2014A Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code from all State, county, municipal, County and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Tax Covenants. The County hereby covenants and agrees with the holders of the Series 2014A Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Series 2014A Bonds to become includable in the gross income of the holders of the Series 2014A Bonds for federal income tax purposes pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder (the “IRC”) in effect on the date of original issuance of the Series 2014A Bonds. The County further covenants and agrees with the holders of the Series 2014A Bonds that no use of the proceeds of the Series 2014A Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Series 2014A Bonds would have caused the Series 2014A Bonds to be “arbitrage bonds,” as defined in Section 148 of the IRC, and to that end the County hereby shall:

- (a) comply with the applicable provisions of Sections 103 and 141 through 150 of the IRC and any regulations promulgated thereunder so long as the Series 2014A Bonds are outstanding;
- (b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required rebates of certain amounts to the United States; and
- (c) make such reports of such information at the time and places required by the IRC.

SECTION 14. Book-Entry System. The Series 2014A Bonds initially issued (the “Initial Series 2014A Bonds”) will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York (“DTC”), and transfers of beneficial ownership of the Initial Series 2014A Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Series 2014A Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Series 2014A Bonds shall be issued in fully-registered form, one Series 2014A Bond for each of the maturities of the Series 2014A Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal or interest on the Initial Series 2014A Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Series 2014A Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Series 2014A Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Series 2014A Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Series 2014A Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Series 2014A Bonds of the same principal amount, interest rate, and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Series 2014A Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of

any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Series 2014A Bonds by mailing an appropriate notice to DTC, upon receipt by the County the Initial Series 2014A Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Series 2014A Bonds in fully-registered form, in substantially the form set forth in Section 8 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Series 2014A Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

SECTION 15. Sale of Series 2014A Bonds, Form of Notice of Sale. The Series 2014A Bonds shall be offered for public sale on the date and at the time designated by the County Administrator and/or his lawfully-authorized designee. A Notice of Sale in substantially the form set forth as Exhibit D attached hereto and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper of general circulation in the State of South Carolina and/or in a financial publication published in the City of New York not less than seven (7) days prior to the date set for such sale.

SECTION 16. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the County Administrator and/or his lawfully-authorized designee to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Series 2014A Bonds together with the Notice of Sale. The County Council authorizes the County Administrator to designate the Preliminary Official Statement as “final” for purposes of Rule 15c2-12 of the Securities Exchange Commission. The County Administrator and/or his lawfully-authorized designee are further authorized to see to the completion of the final form of the Official Statement upon the sale of the Series 2014A Bonds so that it may be provided to the purchaser of the Series 2014A Bonds.

SECTION 17. Filings with Central Repository. In compliance with Section 11-1-85 of the Code, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of the annual financial report of the County within thirty (30) days from the County’s receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which adversely affects more than five (5%) percent of the revenues of the County or the County’s tax base.

SECTION 18. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the “Rule”) the County covenants and agrees for the benefit of the holders from time to time of the Series 2014A Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement in substantially the form appearing as Exhibit E attached to this Ordinance. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by this Ordinance.

SECTION 19. Deposit and Use of Proceeds. The proceeds derived from the sale of the Bonds shall be deposited with the County Treasurer in a special fund to the credit of the County, separate and distinct from all other funds, and shall be expended from time to time and made use of by the County as follows:

The County reserves the right, in its sole discretion, either to decrease or increase the principal amount of the Series 2014A Bonds maturing in any year (all calculations to be rounded to the near \$5,000), provided that any such decrease or increase shall not exceed 10% of the Series 2014A Bonds. Such adjustment(s), if any, shall be made within twenty-four (24) hours of the award of the Series 2014A Bonds. In order to calculate the yield on the Series 2014A Bonds for federal tax law purposes and as a condition precedent to the award of the Series 2014A Bonds, bidders must disclose to the County in connection with their respective bids the price (or yield to maturity) at which each maturity of the Series 2014A Bonds will be reoffered to the public.

Nevertheless, the award of the Series 2014A Bonds will be made to the bidder whose proposal produces the lowest true interest cost solely on the basis of the Series 2014A Bonds offered, without taking into account any adjustment in the amount of the Series 2014A Bonds pursuant to this paragraph.

[Redemption Provisions]

amount equal to the price bid for the Series 2014A Bonds. In the case of a tie bid, the winning bid will be awarded by lot. ORDINANCE NO. 2014/___

AUTHORIZING THE ISSUANCE AND SALE OF TAXABLE OR TAX-EXEMPT GENERAL OBLIGATION BONDS, SERIES 2014B, OR SUCH OTHER APPROPRIATE SERIES DESIGNATION, OF BEAUFORT COUNTY, SOUTH CAROLINA, IN THE PRINCIPAL AMOUNT OF NOT EXCEEDING \$2,350,000; FIXING THE FORM AND DETAILS OF THE BONDS; AUTHORIZING THE COUNTY ADMINISTRATOR OR HIS LAWFULLY-AUTHORIZED DESIGNEE TO DETERMINE CERTAIN MATTERS RELATING TO THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS THEREOF; AND OTHER MATTERS RELATING THERETO.

BE IT ORDAINED BY THE COUNTY COUNCIL OF BEAUFORT COUNTY, SOUTH CAROLINA, AS FOLLOWS:

SECTION 1. Findings and Determinations. The County Council (the “County Council”), of Beaufort County, South Carolina (the “County”), hereby finds and determines:

(a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended (the “Code”), and the results of a referendum held in accordance therewith, the Council-Administrator form of government was adopted and the County Council constitutes the governing body of the County.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the “Constitution”), provides that each county shall have the power to incur bonded indebtedness in such manner and upon such terms and conditions as the General Assembly shall prescribe by general law. Such debt must be incurred for a public purpose and a corporate purpose in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such county.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the “County Bond Act”), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding its applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) The assessed value of all the taxable property in the County as of June 30, 2013, is \$1,824,698,184. Eight percent of the assessed value is \$145,975,855.. Also as of June 30, 2013, the outstanding general obligation debt of the County subject to the limitation imposed by Article X, Section 14(7) of the Constitution is \$92,854,428. Thus, the County may incur not exceeding \$53,121,427 of additional general obligation debt within its applicable debt limitation.

Simultaneously with the issuance of the Bonds, the County intends to issue its not exceeding \$17,100,000 (the “Series 2014A Bonds”), the final par amount of which will also count against the County’s constitutional debt limit.

(f) It is now in the best interest of the County for the County Council to provide for the issuance and sale of not exceeding \$2,350,000 aggregate principal amount general obligation bonds of the County, the proceeds of which will be used for the following purposes: (i) funding capital projects (the "Projects") at the Hilton Head Island Airport; (ii) paying costs of issuance of the Series 2014B Bonds (hereinafter defined); and (iii) such other lawful purposes as the County Council shall determine.

(g) Pursuant to Ordinance No. 2012/10 enacted on August 13, 2012, County Council has adopted Written Procedures Related to Tax-Exempt Debt.

SECTION 2. Authorization and Details of Series 2014B Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued not exceeding \$2,350,000 aggregate principal amount of general obligation bonds of the County to be designated "\$2,350,000 (or such lesser amount issued) General Obligation Bonds, Series 2014B or such other appropriate series designation, of Beaufort County, South Carolina" (the "Series 2014B Bonds"), for the purpose set forth in Section 1(f) and other costs incidental thereto, including without limiting the generality of such other costs, engineering, financial and legal fees.

The 2014B Bonds shall be issued as fully registered bonds registrable as to principal and interest; shall be dated their date of delivery to the initial purchaser(s) thereof; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of Series 2014B Bonds maturing each year; shall be subject to redemption if such provision is in the best interest of the County; shall be numbered from R-1 upward; shall bear interest from their date payable at such times as hereinafter designated by the County Administrator and/or his lawfully-authorized designee at such rate or rates as may be determined at the time of the sale thereof; and shall mature serially in successive annual installments as determined by the County Administrator and/or his lawfully-authorized designee.

Wells Fargo Bank, N.A., Atlanta, Georgia, shall serve as registrar and paying agent (the "Registrar/Paying Agent") for the Series 2014B Bonds.

SECTION 3. Delegation of Authority to Determine Certain Matters Relating to the Series 2014B Bonds. The County Council hereby delegates to the County Administrator or his lawfully-authorized designee the authority to determine: (a) the par amount of the Series 2014B Bonds; (b) the maturity dates of the Series 2014B Bonds and the respective principal amounts maturing on such dates; (c) the interest payment dates of the Series 2014B Bonds; (d) redemption provisions, if any, for the Series 2014B Bonds; (e) the date and time of sale of the Series 2014B Bonds; (f) the authority to receive bids on behalf of the County Council; and (g) the authority to award the sale of the Series 2014B Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Series 2014B Bonds.

If prior to the sale of the Series 2014B Bonds, it is determined that the Series 2014B Bonds can be issued as tax-exempt Bonds, the County Administrator is hereby authorized to combine the Series 2014A Bonds and Series 2014B Bonds into one series and have them provided with an appropriate series designation.

After the sale of the Series 2014B Bonds, the County Administrator and/or his lawfully-authorized designee shall submit a written report to County Council setting forth the details of the Series 2014B Bonds as set forth in this paragraph.

SECTION 4. Registration, Transfer and Exchange of Series 2014B Bonds. The County shall cause books (herein referred to as the “registry books”) to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Series 2014B Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Series 2014B Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Series 2014B Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Series 2014B Bond, the Registrar/Paying Agent on behalf of the County shall issue in the name of the transferee a new fully registered Series 2014B Bond or Series 2014B Bonds, of the same aggregate principal amount, interest rate, and maturity as the surrendered Series 2014B Bond. Any Series 2014B Bond surrendered in exchange for a new registered 2014B Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name any fully registered Series 2014B Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Series 2014B Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Series 2014B Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Series 2014B Bond to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. In all cases in which the privilege of transferring Series 2014B Bonds is exercised, the County shall execute and the Registrar/Paying Agent shall authenticate and deliver Series 2014B Bonds in accordance with the provisions of this Ordinance. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of Series 2014B Bonds during the fifteen (15) days preceding an interest payment date on such Series 2014B Bonds.

SECTION 5. Record Date. The County hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Series 2014B Bonds, and such record date shall be the fifteenth (15th) day (whether or not a business day) preceding an interest payment date on such Series 2014B Bond or in the case of any proposed redemption of Series 2014B Bonds, such record date shall be the fifteenth (15th) day (whether or not a business day) prior to the giving of notice of redemption of bonds.

SECTION 6. Mutilation, Loss, Theft or Destruction of Series 2014B Bonds. In case any Series 2014B Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Series 2014B Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Series 2014B Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. Any duplicate Series 2014B Bond issued under the provisions of this Section in exchange and

substitution for any defaced, mutilated or partly destroyed Series 2014B Bond or in substitution for any allegedly lost, stolen or wholly destroyed Series 2014B Bond shall be entitled to the identical benefits under this Ordinance as was the original Series 2014B Bond in lieu of which such duplicate Series 2014B Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Series 2014B Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Series 2014B Bond shall be borne by the applicant therefor.

SECTION 7. Execution of Series 2014B Bonds. The Series 2014B Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chairman of the County Council attested by the manual or facsimile signature of the Clerk to the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Series 2014B Bonds may be those of the officers who are in office on the date of enactment of this Ordinance. The execution of the Series 2014B Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Series 2014B Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Series 2014B Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Series 2014B Bonds. The Series 2014B Bonds and the certificate of authentication shall be in substantially the form set forth in Exhibit A attached hereto and incorporated herein by reference.

SECTION 9. Security for Series 2014B Bonds. For the payment of the principal and interest on the Bonds as they respectively mature, and for the creation of a sinking fund as may be necessary therefor, the full faith, credit, and taxing power of the County are irrevocably pledged, and there shall be levied annually by the County Auditor, and collected by the County Treasurer, in the same manner as other County taxes are levied and collected, a tax, without limit, on all taxable property in the County, sufficient to pay the principal of and interest on the Bonds as they respectfully mature, and to create a sinking fund as may be necessary therefor; provided, however, that the County Council does hereby pledge the revenues derived from its Airport Enterprise Fund to pay the principal of and interest on the Bonds when due, and sufficient revenues must be delivered for the payment of principal of and interest on the Bonds, and must be delivered to the County Treasurer for payment of principal of and interest on the Bonds and for no other purpose, prior to the occasion when the County Auditor fixes the annual tax levy, and the annual ad valorem tax to be levied for the payment of the principal of and interest on the Bonds on all taxable property in the County shall be reduced in each year by the amount derived from the Airport Enterprise Fund which is actually in the custody and control of the County Treasurer for the payment of the principal of and interest on the Bonds at the time the tax for the year is required to be levied.

The County Council shall give the County Auditor and County Treasurer written notice of the delivery of and payment for the Series 2014B Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Series 2014B Bonds as they respectively mature and to create such sinking fund as may be necessary therefor in accordance with this Section.

SECTION 10. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Series 2014B Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit B, having been published in *The Island Packet* and *The Beaufort Gazette*, newspapers of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 11. Initiative and Referendum. The County Council hereby delegates to the County Administrator and/or his lawfully-authorized designee the authority to determine whether the Notice prescribed under the provisions of Section 5 of Title 11, Chapter 27 of the Code relating to the initiative and referendum provisions contained in Title 4, Chapter 9, Article 13 of the Code shall be given with respect to this Ordinance. If said Notice is given, the County Administrator and/or his lawfully-authorized designee are authorized to cause such Notice to be published in a newspaper of general circulation in the County, in substantially the form attached hereto as Exhibit C.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Series 2014B Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code from all State, county, municipal, County and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Tax Covenants. The County hereby covenants and agrees with the holders of the Series 2014B Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Series 2014B Bonds to become includable in the gross income of the holders of the Series 2014B Bonds for federal income tax purposes pursuant to the provisions of the Internal Revenue Code of 1986, as amended and regulations promulgated thereunder (the "IRC") in effect on the date of original issuance of the Series 2014B Bonds. The County further covenants and agrees with the holders of the Series 2014B Bonds that no use of the proceeds of the Series 2014B Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Series 2014B Bonds would have caused the Series 2014B Bonds to be "arbitrage bonds," as defined in Section 148 of the IRC, and to that end the County hereby shall:

- (a) comply with the applicable provisions of Sections 103 and 141 through 150 of the IRC so long as the Series 2014B Bonds are outstanding;
- (b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required rebates of certain amounts to the United States; and
- (c) make such reports of such information at the time and places required by the IRC.

The above covenants will not apply if the Series 2014B Bonds are issued as taxable bonds.

SECTION 14. Book-Entry System. The Series 2014B Bonds initially issued (the "Initial Series 2014B Bonds") will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York ("DTC"), and transfers of beneficial ownership of the Initial Series 2014B Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Series 2014B Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Series 2014B Bonds shall be issued in fully-registered form, one Series 2014B Bond for each of the maturities of the Series 2014B Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Series 2014B Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Series 2014B Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Series 2014B Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Series 2014B Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Series 2014B Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Series 2014B Bonds of the same principal amount, interest rate, and maturity registered in the name of such successor.

Memorandum

To: Paul Sommerville, Chairman, Beaufort County Council
From: Tony Criscitiello, Planning Director *Te*
Date: 6/6/2014
Re: Beaufort County Community Development Code

The Beaufort County Planning Commission and the Beaufort County Council Natural Resources Committee have recommended to County Council that the Beaufort County Community Development Code proceed toward adoption. The recommendation is conditioned upon a six-month and a one-year review of the Code to determine how well it is working to accomplish the objectives spelled out in the Code. Also, there is an additional requirement to evaluate the advantage of inserting a Planned Unit Development (PUD) tool into the Code within a nine-month timeframe after adoption. In order to efficiently proceed with the evaluations and transition to the new code, the Planning Department staff recommends the following:

1. Periodically reconvene the Technical Advisory Committee to review the effectiveness of the Community Development Code. The six-month and the one year reviews will be benefitted by the work of the Technical Advisory Committee.
2. Reports shall be submitted to the Planning Commission on an as needed basis along with any text or map amendments deemed advisable by the Planning staff.
3. If it is found that two or more provisions in the Community Development Code are in conflict, the more lenient of the two provisions will apply during the evaluation periods.
4. The Southern and Northern Corridor Review Boards will be reconstituted as the Design Review Board as required in Article 7 of the Community Development Code. The seven-member Design Review Board may be selected from the membership of the two Corridor Review Boards or may be selected in a manner consistent with County Council's procedures for board selection.
5. All applications before the Development Review Team or within the administrative purview of the Zoning Administrator that have been accepted as complete may proceed to be reviewed and developed under the zoning regulations and development standards in effect at the time of application, subject to the limitations in Article 1 of the Beaufort County Community Development Code of 2014.

MEMORANDUM

TO: Council Members, Planning Director, Gary Kubic
FROM: David L. Tedder
DATE: June 9, 2014
RE: Community Code Issues

I have previously sent memorandum concerning items in the new community code which, at least to my mind, are problematic and go beyond the original intent of converting to a form based code. By a memo to the Planning Commission dated May 5, 2014, some of those items were either acknowledged to be areas needing work, some were rationalized away, and others were not directly answered (i.e., Item 11, Commercial Oriented Communities and parking issues). Due to limitations on public speaking time at the three remaining council meetings where this will be on the agenda, I intended to limit this memo to three or four items which I believe are problematic. However, since the current agenda includes an ordinance which adopts by reference the contents of a memorandum from the Planning Director, I feel I must also comment on those items prior to their adoption tonight.

PLANNING DIRECTOR'S MEMORANDUM

1. The PUD as proposed in the Planning Director Memorandum. I strongly recommend that the approach for a PUD be changed, so that during the initial 9 month review period, no new applications for a PUD will be processed, but the provisions of Sections 106-2439 through 2451 regarding the Planned Unit District be retained as an addendum to the new Community Code, which shall automatically be available at the expiration of the 9 month review unless the Council affirmatively passes an ordinance removing it. The process under the Planning Director's Memorandum would involve a review, then the implementation of a text amendment process which, as we all should realize from the recent text amendments undertaken, can take anywhere from four months to nine months to process. The proposed course I have outlined would streamline that re-engagement with the PUD at a time when the economic recovery is still fragile, and while there are those who believe the new community based codes will make particularized, innovative mixed use

developments as provided for by the State Local Government Comprehensive Planning Act obsolete, there are others who are not so optimistic.

2. Effective Date. Item 5 of the Planning Director's Memorandum does not define the "drop-dead" date for pending applications. Please clarify that applications accepted as complete **prior to the effective date of the Community Code** will be allowed to proceed under existing standards. In effect, this means applications filed before third reading.

ITEMS INCLUDED IN THE MEMORANDUM TO NATURAL RESOURCES JUNE 2

1. Accessory Uses. In the most recent set of amendments provided the Natural Resources Committee last Monday, amendments to Article 4, Section 4.2.20.E, addressing the 600 s.f. or 30% of the primary structure size limitation, included the language " This does not include accessory dwellings, guest houses, structures used for bona fide agricultural purposes, and accessory structures used for home businesses and cottage industries." Current standards for freestanding structures include limitations on location and setbacks similar to those in Section 4.2.20.E.1.a.1 through 7, and then provides "Free standing structures used for agricultural purposes are exempt from these requirements." These "requirements" include both the size and location standards.

While it appears staff is recommending that the size limitation be relaxed as to accessory dwellings, guest houses and accessory structures for home businesses and cottage industries, the actual language used imposes additional locational requirements on agricultural structures not presently required, and inserts the words "bona fide" before agricultural purposes, an addition to current language which was not justified before the joint Planning Commission and Council Review Committee, the Planning Commission, or Natural Resources. Please remove those two words, unless you provide additional standards for one to make the objective determination that there is an agricultural purpose involved. If one has an agricultural tax classification, there should not be a need for second guessing by the zoning department. Secondly, please clarify that the locational standards for agriculture accessory structures of the new code do not apply. This could easily be accomplished by removing the reference to "structures used for bona fide agricultural purposes" from the inserted sentence, and adding a new subsection 4.2.20. E.4 to include the present language "Freestanding structures used for agricultural purposes are exempt from these requirements.

A further note on this subject; in the T-1 and T-2 districts, the size limitations on accessory buildings should be removed if the parcel is larger than 2 acres, whether or not it is a accessory dwelling or guest house, a an free standing structure for other than agricultural use. If one has a large lot, and s not prohibited by private covenants, allow them the freedom to build on their property as they see fit, since they have invested in a large lot.

2. River buffer setback, Table 5.11.60.A and Section 5.11.60.K. Current ordinances allow for a home to be placed 50 feet from the OCRM Critical Line. The Community Code moves homes in the T-1, T-2, and Conventional districts back another 10 feet, and then restricts the uses in that 10 feet. The justification has been that there needs to be a construction envelope. However, current ordinances provide that any disturbance of the fifty foot river buffer be mitigated by the implementation of a designed revegetation plan, just as is required for the construction envelope on a seawall or bulkhead. There is already the allowance for the clearing of a 75 wide view corridor or 1/3rd of the lot width, and since the implementation of the 50 foot buffer additional storm water run-off control measures for singler family homes have been instituted in the last few years. Reduce the building setbacks in the T-1, T-2, and Conventional Zones to 50 feet.

3. Side mounted garages, or garages facing the street protruding in front of the remainder of the principal structures. I meant to bring yesterday's real estate section from the local paper, so that you could visualize for yourselves the number of units on the market which have side mounted garages in front of the house, or street facing garages. While these standards do not apply in the T-1 and T-2 Districts, they do apply in T-3. I would point out that in Northern Beaufort County on Port Royal Island, there are T-# areas along Highway 802 near or adjacent to subdivisions which already have been built with these types of lay-outs, notably Shadow Moss, and the C-3 areas along Broad River Boulevard. Do we really need to be this intrusive on building types, especially the T-3 and Conventional zones? Most of the PUDs in Southern Beaufort County allow these, and I believe many would correlate to T-3 neighborhoods.

4. Driveway widths. I recently pointed out that the driveway widths provided in the Community Code are too restrictive, and do not take into account the prevalence of boats on trailers in Beaufort County. With new subdivisions having on-street parking requirements, and narrower travel lanes, small driveway widths become even more of a problem. I would recommend allowing double width drives (22 feet) in the T-1, T-2, T-3 and conventional zones.

5. Inadvertent Restrictions. In the Accessory Use Table, Table 4.2.20.A, we have decided to start regulating swimming pools and hot tubs. The way this is structured, no hot tub can be within 5 feet of the house or another accessory structure. (4.2.20.E.a.3.) First of all, who cares, and secondly, why not? If I want a hot tub as part of my pool, why does the County care? If I want it on my sundeck next to my master bedroom, why not? This is an example of our taking someone's work from another area and imposing a standard to address a problem that does not exist.

Sincerely,

David Tedder

Dear Chairman Sommerville and Councilmembers:

On behalf of the 450+ member companies of the Hilton Head Area Home Builders Association (HBA), we wish to weigh in with several suggestions with regard to the proposed Community Development Code (CDC) being brought forward by the Beaufort County Planning Commission.

First, we would like to acknowledge the hard work and ideas brought forward by the Commission and Planning and Development Director Criscitiello and his staff. Planning for future development and leading way to a major code rewrite is a challenging undertaking, especially on behalf of a county so uniquely diverse from one neighborhood to the next. Director Criscitiello, along with planning and development staff and the planning commission, are to be commended for their time, care and effort.

The HBA brings a comparatively unique perspective to community planning and development. Our membership represents a full breadth of the residential construction industry, from the developer of raw land into lots, to the home builder constructing the house, to the remodeling contractor or infill builder trying to reconstruct infill product. Many of our members have a long history of working under the County's development regulations and have witnessed firsthand how new requirements impact the development process – both positively and negatively.

While there are many positive highlights to the proposed Community Development Code, there are a number of items we feel need additional consideration and possible amendment prior to adoption by Beaufort County Council. The following addresses those items of the proposed CDC for which we are most concerned, as well as our suggestions for resolving these identified concerns.

Ashley Feaster
Council Meeting
June 9, 2014

Item 1: Lack of provision for Planned Use Developments (PUDs)

The HBA is concerned that the proposed CDC does not contain a provision for a Planned Use Development (PUD) to be submitted to the county review and adoption.

Planning and Development staff maintain there is no reason to provide for a PUD process, noting that the proposed code offers all possible development solutions. County council members, who have reviewed the proposed CDC in committee, have also noted that upon six or nine month review of the CDC (both review timelines have been discussed), should evidence show a need, the adopted CDC could be revised, adding a PUD provision tool back into planning and development procedures.

While the HBA is hopeful that the CDC will provide all the necessary tools for countywide planning and development, we feel it is a premature assessment to remove a PUD provision altogether, and a decision that history has shown to be a problematic. Our biggest concern is that the CDC may not be a 'one size fits all' solution for every development situation and, in lacking a PUD provision, could unintentionally hurt positive growth and economic development.

HBA Suggestion

As an alternative to removing PUD provisions immediately from the planning and development process, the HBA suggests that a temporary provision for PUDs be added to the proposed CDC. Upon review at six or nine months, with evidence showing no need for a PUD process, the HBA will support removing the PUD provision. If, in fact, we find that PUDs are no longer necessary and the CDC is able to fulfill all development and planning needs, adding a temporary provision will do nothing but strengthen the CDC process.

Item 2: Table 5.11.60, Increasing River Buffer Setbacks for a single family home

Upon review of Table 5.11.60.A: River Buffer Setbacks, the HBA finds that the proposed CDC increases river buffer setbacks from 50 feet to 60 feet, requiring an additional 10 foot setback for single family homes in T1, T2, Conventional and CP Districts.

Currently, Beaufort County requires a 25 foot river buffer setback. This setback is in addition to the 25 foot river buffer setback required by South Carolina DHEC-OCRM. Furthermore, Beaufort County requires that at least 90 percent of all stormwater runoff be contained/controlled onsite. Taking into consideration the current 50 foot river buffer setback requirement, along with county stormwater management requirements, the HBA is strongly opposed to and does not understand the purpose of taking an additional 10 feet of buildable property away from landowners as is shown in Table 5.11.60.A: River Buffer Setbacks. Planning staff has noted that the 10 foot increase is to allow for earth moving and construction activities to occur without disturbing the buffer. However earth moving and construction activities can easily be confined to front and side yards. It is in our opinion that this proposed 60 foot setback serves no additional increase in environmental protection than that offered by the current 50 foot setback and stormwater management requirements. It would however, deflate property values and take away many options from landowners considering building a home on their property – including the option to build altogether.

HBA Suggestion

The HBA strongly encourages Beaufort County Councilmembers to review Table 5.11.60.A: River Buffer Setbacks, as well as proposed CDC section 5.12.30 Stormwater Standards and approve an amendment to revise the table for Single Family Duplex Setback for T1, T2, Conventional and CP Districts to reflect a River Buffer Setback of 50 feet.

Item 3: Section 2.2.30.A2 Terminated Vistas Suggested Measures

In reviewing CDC Section 2.2.30.A2 as it relates to thoroughfare design and terminating vistas that exceed 1,200 feet in length, the HBA feels it important that the CDC offer practical and affordable suggestions in the list of measures provided. The HBA fully understands the desire to keep speeding in neighborhoods to a minimum, however the measures offered (even though stated as “not limited to”) are all measures that involve significant costs over the simplest of measures – a stop sign.

HBA Suggestion

The HBA simply suggests that Stop Signs be added as one of the written measures offered in CDC Section 2.2.30.A2.

Item 4: Section 2.2.30.D External Connectivity and Future Road Connections

In reviewing CDC Section 2.2.30.D as it relates to future road connections and requiring the continuation of existing or proposed roads into adjoining undeveloped lands, the HBA has some concern about requiring continuation at time of development without knowing the future plans of said adjoining lands. There are a number of instances where future connectivity between two properties might not be desired or could even pose problematic. For instance, an adjoining property being purchased for the development of a school; interconnectivity between the development and school would not likely be desired. In this instance, under the proposed CDC, the developer would have incurred the cost to construct a connection road up to the property line for a future road that would never be connected. The proposed CDC is also assuming that all adjoining properties will be developed, which is not always the case. Reserving the land for future interconnection is a better alternative.

HBA Suggestion

The HBA suggests that instead of requiring a developer/landowner to plat and construct future road connections at the initial development stage, the proposed CDC Section 2.2.30.D require a developer/landowner to ‘reserve’ areas of future interconnectivity for a certain period of time or until later review.

Other Items: Garage Locations, 10 Foot Driveways, Fences in Easements, etc.

The HBA is concerned that there are a number of items in the proposed CDC that place excessive restrictions on landowners and developers. Restricting garage and fence locations and maximizing driveways to 10 feet are just a few examples where we feel the proposed CDC incorporates a ‘one size fits all’ approach to a very diverse county.

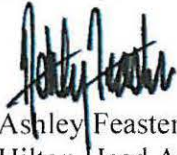

HBA Suggestion

The HBA suggests Beaufort County Councilmembers look closely at these, and possibly other, overly restricting land design and use measures, and seek input from landowners, builders, architects and others who might have alternative suggestions. The HBA is more than willing to provide professional input from those within its industry.

In Conclusion

On behalf of the Hilton Head Area Home Builders Association, we thank you for the opportunity to comment and express our concerns on the items noted above. We look forward to working with the county in to adopt a Community Development Code that promotes sound building and development practices, strong economic development and preservation of our breathtaking environment and unique natural resources.

Sincerely,

Ashley Feaster, Executive Officer

Beaufort County 1% Sales Tax Commission
and Referendum

**Press Release
June 9, 2014**

**Subject: Beaufort County 1% Sales Tax Commission &
Referendum**

Sir/Madam;

VAST, Voters Against Sales Tax would like to thank the members of the Sales Tax Commission for their hard work in conducting the capital improvements vetting process. They are volunteers who care enough about their community to work tirelessly to ensure that proper processes were followed. They completed their duties admirably in a publicly open and transparent manner. They notified the community of the process and solicited projects. They vetted those projects based upon their opinion of community needs. They are concluding by presenting those projects to be crafted into the Sales Tax Referendum for County Council consideration. We do not feel that any of these projects are critical or needed now, so we call on the County Council to reject these projects. As far as the Sales Tax Commission, we thank them for their service and dedication to the community.

Voters Against Sales Tax is a newly formed group in Beaufort County to specifically address the proposed 1% Sales Tax Referendum currently being created for presentation to the Beaufort County Council. However, as the process advances, we may also consider ancillary issues regarding taxation.

VAST is a non-partisan group that welcomes all members across the political spectrum. The group has posted online a petition in protest of the proposed 1% Sales Tax Referendum. You can find it at:

<http://www.change.org/petitions/beaufort-county-council-do-not-increase-the-sales-tax-to-fund-capital-improvement-projects>

At the time of this press release, we have already garnered 299 signatures.

The petition reads:

"The voters of Beaufort County do not support a sales tax increase to fund capital improvement projects. The list that has been provided is a list of WANTS and not NEEDS. We are experiencing a very soft recovery from the economic downturn so it is not fiscally prudent to raise the sales tax now. The average family of four would be asked to spend an additional \$444.00 per year in additional sales tax. It would also be harmful to small businesses. Should

we develop a catastrophic need to use this funding source, it would not be available. For these reasons, we will reject any attempt to increase the sales tax."

Nancy MacKenzie, Beaufort, SC, wrote, "The proposal to re-align the Bluffton Parkway is a nonsensical waste of taxpayer money. There are other ways to improve evacuation routes without doing permanent damage to longstanding communities and their slowly rebounding property values."

Michael McNamara, Okatie, SC, wrote, "This is taxation looking for a reason. It is what us former northerners moved here to get away from."

Please feel free to contact me for further information.
