I am a very fortunate man who leads a great life full of many blessings for which I am truly grateful.

First, I married above myself and I know it. My beautiful wife, Rose, is not only patient and loving, she has made our home the happiest place on earth. Together, we brought three precious children into this world and they have filled our lives and our hearts with joy. I am also fortunate to have many wonderful friends who complement my family life and provide me not only with the pleasure of their company, but with their steadfast support.

I am blessed to have the opportunity to live and work in this community, otherwise known as *Paradise, South Carolina, USA* where I am surrounded by the natural beauty of the Lowcountry on a daily basis. This provides an opportunity for stewardship of God's great outdoor environment.

There is more that could be mentioned, but I want the people of Beaufort County to know that the privilege of serving them in my capacity as Chairman of County Council has brought me much gratification and fulfillment. I wish each of you a very Happy Thanksgiving.
