State Aid Agreement/Library Budget 2014 and Waiver: As required by the State Library, Ms. Hand and Mr. Zaryczny signed the State Aid Agreement in the presence of a quorum of the Board. A waiver was also signed in the presence of the board since the library budget was not in

Waiver for non-compliance of hours of service: An additional waiver has been signed since the library does not comply with the 68 hour service at one branch as required by the State Library.

Request for additional county funds: The Beaufort and Bluffton branches are recommended for increased hours so there is a branch North of the Broad River and a branch South of the Broad River open 50 hours. Mr. Zaryczny explained briefly that the request for \$ 300,000 includes additional staffing, operating expenses and a third party consultant (see attachment). Ms. Hand made a motion for discussion. Ms. Martin seconded. Ms. Fitzgerald suggested that the \$ 300,000 be broken down into \$ 240,000 and \$ 60,000 for more clarification. Ms. Miller discussed her concern that the Hilton Head Branch was not included in additional hours request.

Mr. Kubic suggested that the Board should work not only in short term, but also in mid and long term planning for the future of libraries. He asked the board if they are interested in a referendum to create a millage for the Library system. Mr. Kubic added his support to the external consultant. He also recommended that the board begin discussions with the City of Beaufort to consider implementing impact fees. He concluded by praising the successful St. Helena Branch Library near the historical Penn Center.

Staff/Staffing - Vacancies

Administration: FT Admin Assistant II (preliminary approval); **Beaufort**: PT Page (preliminary approval); **Bluffton:** FT Circulation Manager, 2 PT Library Asst. I (Circulation); **Hilton Head:** PT Page.

Automation -

SC LENDS (SC Library Electronic Network Delivery System) – The SC LENDS Strategic Planning Committee which met on August 23 decided to wait until early 2015 before adding any new member libraries. The possibility of increasing membership dues was also explored. A taskforce will investigate the requirements for adding a fulltime support staff person to SCLENDS.

RFID Project – St. Helena's drive-up materials return should be operational in October. The obstruction from a fire sprinkling pipe was corrected during the last week in August. Bibliotheca staff will be dispatched to install and operationalize the lift conveyor. County Council Community Services Committee and County Council approved a five-year Maintenance Contract for all Branches except St. Helena. Once the drive-up materials return is installed and operating successfully, a maintenance contract will be presented to Council for approval sometime this coming Fall.

IT System-wide & Meeting Room Upgrades – A bid for the Hilton Head Branch meeting room upgrade has been posted. Completion of the upgrade is expected by the end of December. The IT upgrade for all Branches excluding the new St. Helena Branch is currently on hold. Friends of Hilton Head, Bluffton and Beaufort have contributed funds to upgrade computers.

State Aid Grant & Lottery Funds -

Beaufort Library is designated to receive \$202,791.25 is lottery funds for FY14. This grant will be used to augment the Library's County Materials budget which is currently funded at \$125,000. The State Aid Grant has traditional been used to supplement our materials budget. I expect to receive an update about lottery funds for public libraries in the Spring of 2015.

County Budget -

The Library's FY14 budget is on track.

On Thursday, September 5 Jan O'Rourke and I met with Gary Kubic, Alicia Holland (Acting Finance Director) and Morris Campbell regarding library hours and the request for

additional FY14 funding. Library staff will review and address an array of issues concerning service, staffing, funding, usage, hours of service, etc.

Miscellaneous -

Beaufort County Library Strategic Plan 2013 – The plan will be extended out for an additional two years if funding for the requested Consultant, included in the Trustee request for a amended budget, is not hired.

One Year Anniversary of the new St. Helena Branch Library – planning has started for a celebration to take place during the second half of October.

ACA (Affordable Care Act) – Beaufort/Jasper/Hampton Comprehensive Health Services (BJHCHS) – Library staff met with representatives of BJHCHS to discuss the efforts of an Outreach & Enrollment grant to help the uninsured become insured under ACA. (Sign up will start October 1st.)

The Library will assist with this effort by doing the following:

- Display/Distribute brochures and other appropriate material relative to Outreach & Education.
- Hosting BJHCHS volunteer Certified Application Counselors (CAC) scheduled sessions to assist the uninsured (similar to what we do now for the VITA effort).
- Make the Library available for community or informational meetings to promote this effort.
- Survey staff to see who might be willing to take, complete and pass a test for a five
 (5) hour web-based course to become a volunteer CAC.
- After BJHCHS provides additional basic information about the ACA and how the uninsured access information to become insured, Library staff will direct interested customers to either appropriate BJHCHS CAC volunteers or sites.

The Board of the SC State Library has hired Mr. Hulen Bivens as the new State Librarian. Besides his MSLS, Mr. Bivens also has a law degree from Faulkner University. His work history includes his current position as the North Dakota State Librarian and Assistant Director of the Alabama State Library.

Beaufort County School District – On September 6 Jan O'Rourke and I attended the State of the Schools Breakfast. The program included a Guest Panel and remarks by Dr. Jeffrey Moss, Superintendent and Bill Evans, Chairman, Beaufort Board of Education.

Sincerely.

Wlodek Zaryczny, MSA, MES.
