Automation -

SC LENDS (SC Library Electronic Network Delivery System) – The SCLENDS Evergreen ILS (Integrated Library System) was upgraded to version 2.5 on April 21. The only one major change will impact the Acquisitions module. The SC LENDS state-wide conference planned to be held in York County is currently on hold.

RFID Project – Software upgrades to our system are in the process of being installed.

IT System-wide & Meeting Room Upgrades – Due to funding concerns the Hilton Head Branch meeting room upgrades are temporarily on hold. We are currently waiting for a second architectural quote for the Bluffton renovation before getting final IT equipment pricing for both Bluffton and Lobeco Branches.

State Aid Grant & Lottery Funds –

The State Library and SC-APLA (South Carolina - Association of Public Library Administrators) Legislative Agenda for 2014-2015 which includes:

- State Aid of \$1.25 per capita with a minimum grant of \$75,000 per county on a recurring basis.
- Lottery \$2 million from any lottery source (regular certified proceeds or unclaimed prize money) to be divided equally among counties.

is under review and consideration by the SC State Legislature.

The 2014 SC State Aid Grant to BCL has been pulled from County General Funds and established as a separate SC State Aid account. The total of that Grant is \$202,791.25 and is earmarked for library materials.

County Budget --

The Library's FY14 budget is on track.

SC State Library -

State Librarian, Hulen Bivins is leaving the Library. His last day is May 15.

Trespass Legislation -

South Carolina currently lacks uniform implementation and enforcement of library trespass actions. Proposed Senate bill 813 presently in discussion at the State Legislature, if passed as law, would provide uniform enforcement of trespass law for violating library patron behavior policy. Examples include: disrupting library operations, solicitation, stalking staff or other patrons, verbal harassment of staff or other patrons, etc.

Sincerely,

Wlodek Zaryczny, MSA, MLS.
