### **Camp St. Mary's Fishing Pier Reopened**

The Camp St. Mary's Fishing Pier has reopened. Last month, the Beaufort County Public Works Department closed the pier, located at 119 Camp St. Mary's Road in Okatie, to make repairs to the floating dock portion of the pier.

The scope of work included removing the access ramp, disassembling and removing the floating dock, making the repairs, and replacing the floating dock and access ramp.

This undertaking was a joint effort by Beaufort County Public Works staff from General Support, Roads and Drainage South, and Roads and Drainage North. "I am very pleased with the performance of our crew," said Eddie Bellamy, Beaufort County Public Works Director. "They all worked together and made everything go very close to clockwork."
