PALS Indoor Pools Closing for Staff Training on June 13

All three Parks and Leisure Services (PALS) indoor pools (Battery Creek, Beaufort and Bluffton) will be closed Saturday, June 13, 2015, while aquatics staff members receive in-service training. The indoor pools will return to normal operating hours Monday, June 15, 2015.

“We value our customers and our commitment to provide quality service in a safe environment. This commitment often requires training for our staff. We appreciate greatly the public’s understanding and apologize for any inconvenience the closings may cause,” said Parks and Leisure Services Director Scott Marshall.
