County Residents Invited to Participate in Stormwater Program Survey

[Neighbors for Clean Water](#) invites residents to participate in a [survey](#) regarding the County's stormwater management outreach program. The survey is being administered in partnership with Beaufort County, the City of Beaufort and the towns of Bluffton, Hilton Head Island, and Port Royal. The input from residents will assist the County and municipalities in helping to determine the future stormwater needs of the County. The survey is available [online](#) at www.bcgov.net and hard copies are available at all [County Library branches](#). **The survey ends July 1, 2016.** For additional information, call 843-255-2813.
