## **PALS Offering Free Lunch for Kids and Teens This Summer**

The Beaufort County Parks and Leisure Services (PALS) Department will provide free lunch to kids and teens this summer, as part of the U.S. Department of Agriculture (USDA) Summer Food Service Program (SFSP). Healthy meals will be provided to all children 18 years old or younger. There are no income or enrollment requirements. Each year, the [USDA Food and Nutrition Service](#) partners with local organizations like [Beaufort County PALS](#) to provide free meals to children when school is out for the summer. The USDA plans to serve more than 200 million free meals at approved SFSP sites this summer. The USDA is an equal opportunity employer and provider.
