New *Coastline* Episode Provides the 411 on the Zika Virus

The County Channel's *Coastline* show will debut a special episode this week. The episode will give viewers an extensive overview of the Zika Virus. Host Rick Forschner sits down with three guests: Gregg Hunt, Director of Beaufort County Mosquito Control; Lieutenant Colonel Neil Baxley, Director of the Beaufort County Sheriff's Office Emergency Management Division; and Dr. Katherine Richardson, Medical Director of the SC Department of Health and Environmental Control (SCDHEC) Lowcountry Region. The panel goes in depth about the virus, including how it is transmitted, who is most affected, and the concerns for Beaufort County's residents and visitors. *Coastline - Zika Special* airs Wednesday, June 8, 2016 at 8:30 p.m. and Friday, June 10, 2016 at 9:00 p.m. For more information regarding the Zika virus provided by SCDHEC, click [here](#).

Coastline can be seen live on The County Channel on Comcast channel 2, Hargray channels 9 and 113, and Time Warner channel 63. This episode and others can also be found online at [The County Channel's website](#).
