The County Channel Airing New Episode of *Coastal Kingdom* March 16

The County Channel will air its latest installment of the award-winning nature series *Coastal Kingdom* at 8 p.m. on Wednesday, March 16, 2016. This episode, “Nature's Classroom”, is the first of a two-part series which will explore research that scientists are conducting regarding some animals inhabiting the lowcountry. The episode features red drum at the Waddell Mariculture Center in Bluffton, aggression studies of Cottonmouth snakes, and alligator hatchlings in their nest. *Coastal Kingdom* is hosted by naturalist Tony Mills and is produced in partnership by [The County Channel](#) and the [LowCountry Institute](#). The County Channel is available on Comcast channel 2, Hargray channels 9 and 113, and Time Warner channel 63, as well as www.bcgov.net.
