Licenses Available for Solid Waste Collectors and Haulers

Beginning July 1, 2016, solid waste hauler licenses for 2016-2017 will be available for all associated collectors and haulers operating in Beaufort County. The County will not accept disposal charges at its approved landfills from collectors and haulers who do not have a valid license after August 1, 2016. License fees are \$100 per year with a decal fee of \$50.

Beaufort County's Code of Ordinances requires that all businesses or contractors providing residential, commercial, or industrial waste collection and transportation within the County have a license which, along with decals can be obtained from either the Beaufort or Bluffton location of the Beaufort County Public Works Department as follows:

Mondays only - 120 Shanklin Road in Beaufort

Tuesdays only - 9 Benton Field Road in Bluffton

Questions should be directed to Cindy Carter at ccarter@bcgov.net or 843-255-2745.
