New Traffic Signal Installed at Intersection of U.S. Highway 278 and St. Gregory Drive in Bluffton

Beaufort County has installed a new traffic signal on U.S. 278 (Fording Island Road) at the new St. Gregory Drive in front of Bluffton Township Fire District Station 35 to enhance the safety and access for motorists in this area. The traffic light is fully operational, having replaced the emergency signal at that location. Motorists are asked to use caution when approaching this intersection because of the new signal. For more information, contact the Beaufort County Traffic Engineering Department at 843-255-2940.
