## All Beaufort County Convenience Centers Now Reopened

Following closures due to Hurricane Matthew, all Beaufort County [Convenience Centers](#) are open as of Saturday, October 15, 2016. The centers will operate from 7:30 a.m. to 7:00 p.m. on their normal operating schedules. The Convenience Centers will only be accepting bagged, household garbage (Class 3). Residents should not bring Class 1 (yard debris) or Class 2 (construction debris) storm debris to the Convenience Centers at this time. Residents should sort Class 1 and Class 2 debris into separate piles and leave it on the right of way / curb at their residence:

- Class 1 debris includes tree limbs, leaves and tree logs cut into sections.
- Class 2 debris includes building materials, drywall, lumber, carpet, furniture, mattresses, and plumbing items.

For questions regarding debris related collection, residents should call the **County's new customer service line for debris removal at 843-685-9880.**
