## Christmas Trees Not Allowed at Rights-of-Way

Beaufort County advises its residents (**excluding residents within city limits**)\* that Christmas trees are **not** considered storm debris and therefore are not allowed at the rights-of-way. Trees placed at the right-of-way will not be removed by the County's debris removal contractor.

Christmas trees may be disposed of at any [County Convenience Center](#). All ornaments and lights must be removed prior to disposal.

All Class 1 waste (including real Christmas trees, small limbs, leaves and landscape trimmings) will be ground and recycled as boiler fuel.

Click here to view the [Convenience Centers Holiday Closing Schedule](#).

### **\*City of Beaufort Residents**

The City of Beaufort collects Class 1 waste at the curb as part of their waste service. Citizens residing within the City of Beaufort **can** place real Christmas trees at the curb for collection.
