## Treasurer Receives Local Government Award

The South Carolina Republican Party presented Maria Walls, CPA, Beaufort County Treasurer, with the Local Government Official Award, on September 15, 2016. This award is given in honor to a public official holding a local, partisan office, for outstanding service to their local community and positive representation of the Republican Party in local government.

Walls stated in a release that she is honored to represent the citizens of Beaufort County as a Republican and that the conservative fiscal principles ingrained in her office have allowed for services to be increased and improved while decreasing the office's budget.
