Portion of Spanish Moss Trail Closing for Repair April 24-May 12, 2017

A portion of the [Spanish Moss Trail](#) in Beaufort will be closed Monday, April 24th through Friday, May 12th. Beaufort County has contracted with Quality Enterprises USA, Inc. to repair approximately 1,000 feet of slope damaged by Hurricane Matthew. The closure will occur from the east side of the bridge over Battery Creek to where North Street intersects the trail. Access to and use of the bridge from SC 170/Robert Smalls Parkway will be permitted.

Questions should be directed to the Beaufort County Engineering Department at 843-255-2700.
