Certified Delinquent Tax Bills Mailed

The Beaufort County Treasurer's Office has mailed 4,200 certified delinquent tax bills to taxpayers with outstanding balances on their real and personal property.

To avoid an additional delinquent fee of fifty dollars, taxpayers should pay in full by August 31, 2017. After August 31, 2017, all payments on delinquent accounts must be made by guaranteed funds, which include cash, cashier's check, certified funds, or money order. Personal checks will not be accepted.

Taxes must be paid by 5 p.m. on Friday, September 29, 2017, to prevent the property from being auctioned at the [Delinquent Tax Sale](#). Taxes may be paid at any of the [Treasurer's office locations](#), [online](#), by mail, or by phone. Additional information and current amounts due can be found at www.BeaufortCountyTreasurer.com or by contacting the Treasurer's office.
