New Coastal Kingdom Episode includes Segment on Nemours Wildlife Foundation

A new episode of The County Channel's award-winning nature series, *Coastal Kingdom* will air this Wednesday, September 20 at 8 p.m. The episode, *Lowcountry Conservation Part 2*, continues the theme of the last episode and will feature hard-working researchers and scientists helping to protect local wildlife. Segments include Spotted Turtles in the wild, fox squirrel relocation, and a profile of the [Nemours Wildlife Foundation](#). *Coastal Kingdom* is hosted by naturalist and educator Tony Mills of Spring Island and is a production partnership between [The LowCountry Institute](#) and [The County Channel](#).

Watch programming live on Comcast channel 2, Hargray channels 9 and 113, and Spectrum channel 63. Viewers can also watch programming live and on-demand at [The County Channel's website](#) at www.bcgov.net.
