

Beaufort County, South Carolina
General Announcement

February 22, 2018

**Beaufort County Residents
Invited to Take Housing Surveys**

Beaufort County Council has engaged [Bowen National Research](#) to conduct a Housing Needs Assessment for the County, with the results aimed at helping to guide strategic decisions related to the local housing market. Input from Beaufort County residents and stakeholders is vitally important for guiding future housing and policy decisions, and may help the County secure funding for various housing programs and projects. All residents are strongly encouraged to take a [survey](#) allowing their feedback regarding local housing needs and their current housing situation. All survey responses will remain confidential. The deadline to complete the survey is March 16.

[SC Housing](#) in conjunction with several State agencies is requesting that all South Carolina residents respond to an additional housing survey by March 2. The State's notice and survey are available [here](#).
