**A Section of Marsh Road Closing  
For Repairs Beginning August 20**

Beaufort County Public Works crews are preparing to perform work to repair and improve the stormwater drainage system that runs under the [Beaufort County Government Robert Smalls Complex](#) parking lot and Marsh Road in Beaufort. The crews will be removing and replacing damaged sections of pipe that outfall into the adjacent marsh.

Starting Monday, August 20, a section of Marsh Road, where it intersects with Boundary Street, will be closed to motorists and pedestrians from approximately 7 a.m. to 4 p.m. for a period of 30-45 days, weather permitting. To gain access to the complex parking lot all motorists should use the entrance at Duke Street and Ribaut Road.

Electronic message boards have been stationed on Boundary Street and Ribaut Road to notify motorists about the upcoming road closure and detour route.
