Marsh Road Closing Project Update

Repair work on Marsh Road will resume at 6:30 p.m., continuing through 6:30 a.m., Wednesday, November 7 and Thursday, November 8, weather permitting. Marsh Road will be closed during these times.

As a matter of public safety, Beaufort County Public Works crews need to repair and improve the stormwater drainage system that runs under the Beaufort County Government Robert Smalls Complex parking lot and Marsh Road. The road will be closed from its intersection with Boundary Street to where the road forks at the County Administration Building parking lot while the overnight work for this phase of the project is completed. Motorists and pedestrians should use Duke Street (at Ribaut Road) as a detour route.
