

Beaufort County, South Carolina
General Announcement

December 12, 2018

**Beaufort County Stormwater Management
Coloring Contest Winners Chosen**

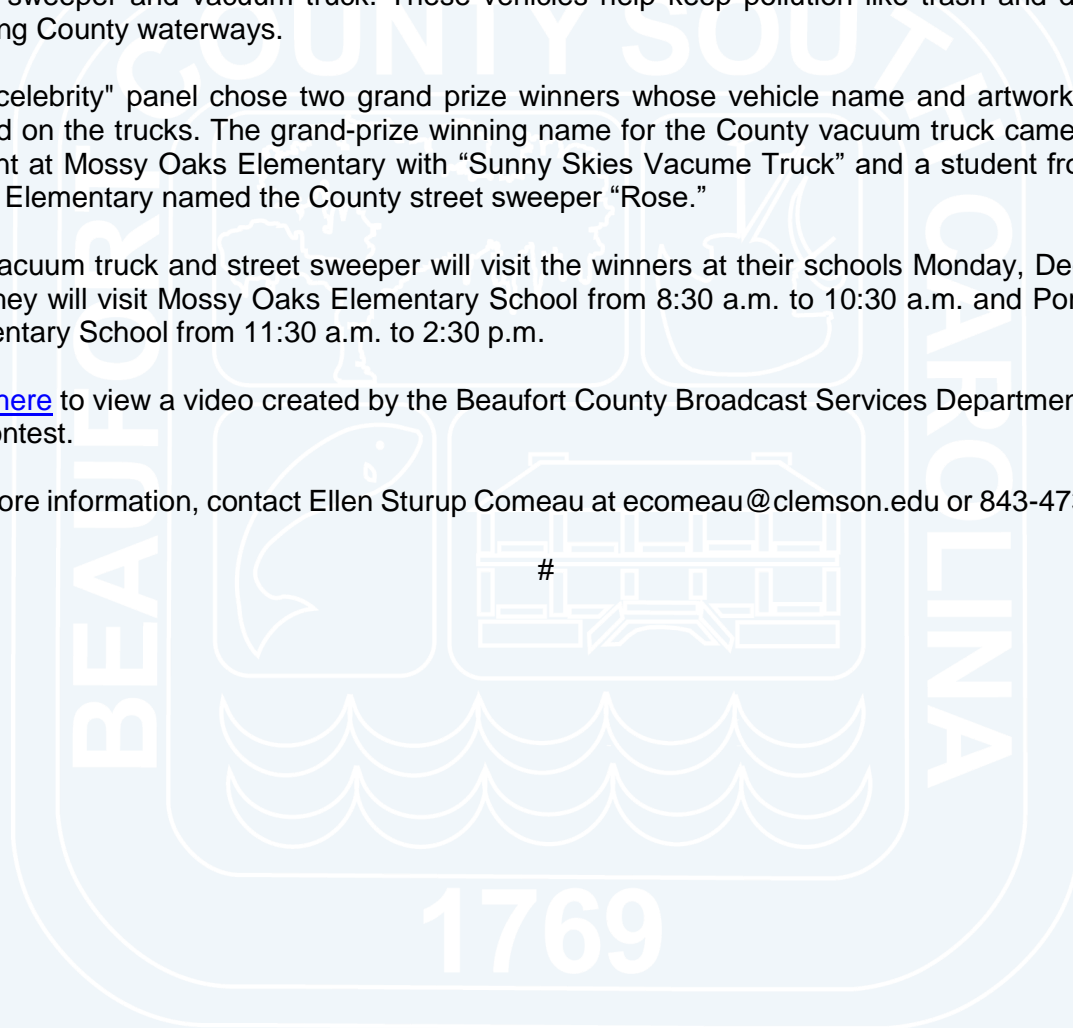

The Beaufort County Stormwater Management Department and Lowcountry Stormwater Partners have announced the winners from their coloring contest called "That's MY Truck." At Beaufort County schools, students in grades K-5 chose names and designed artwork for the County's new street sweeper and vacuum truck. These vehicles help keep pollution like trash and dirt from entering County waterways.

The "celebrity" panel chose two grand prize winners whose vehicle name and artwork will be printed on the trucks. The grand-prize winning name for the County vacuum truck came from a student at Mossy Oaks Elementary with "Sunny Skies Vacume Truck" and a student from Port Royal Elementary named the County street sweeper "Rose."

The vacuum truck and street sweeper will visit the winners at their schools Monday, December 17. They will visit Mossy Oaks Elementary School from 8:30 a.m. to 10:30 a.m. and Port Royal Elementary School from 11:30 a.m. to 2:30 p.m.
