## **Council Member Mike Covert Selected For NACo County Leadership Institute**

The National Association of Counties ([NACo](#)) announced recently that Beaufort County Council Member Mike Covert ([District 7](#)) has been chosen to represent South Carolina at the Fifteenth Annual County Leadership Institute (CLI) this June in Washington, D.C. The Institute accepts only one participant from each state annually.

CLI is a rigorous four-day program offered in partnership with [Cambridge Leadership Associates](#) to help attendees learn how to effectively address the demands of personal leadership in an era of government characterized as “permanent crisis”. NACo aims to enhance the capability of county officials to identify and implement innovative solutions to complex challenges facing county government.
