**Both Locations of the Beaufort County Alcohol and Drug Abuse Department Closed Morning of June 22 for Staff Training**

The Beaufort and Bluffton locations of the Beaufort County [Alcohol and Drug Abuse Department](#) will be closed from 8 a.m. to 1 p.m. on Friday, June 22. All department staff members will be participating in a training opportunity hosted by the [New Life Center](#), which is based in neighboring Hampton County. Both agencies develop and manage outpatient services to prevent and reduce the negative health, social, and economic consequences resulting from addiction and co-dependency.

Both agencies are affiliates of the South Carolina Department of Alcohol and Other Drug Abuse Services ([DAODAS](#)), which coordinates a statewide system of local substance abuse agencies that provide prevention, treatment, and recovery services. The mission of DAODAS is to ensure the availability and quality of a continuum of substance use services, thereby improving the health status, safety, and quality of life of individuals, families, and communities across South Carolina.
