**Beaufort County Helps Sponsor Coloring Contest
in Support of Stormwater Management
and Clean Waterways**

The Beaufort County Stormwater Management Department and Lowcountry Stormwater Partners are holding a coloring contest called "That's MY Truck" to name the County's new street sweeper and vacuum truck that keep pollution like trash and dirt from entering County waterways.

At Beaufort County schools, students in grades K-5 are eligible to participate. Entries will be judged by a "celebrity" panel, with prizes awarded to three grand prize winners and six runners-up. The three grand prize winners will get to name a truck, have their artwork printed on the truck and have the truck visit their school. All contest entries will be displayed at local public buildings.

To enter the contest, students must color one of the coloring sheets provided [here](#) and submit it to their school or public library. Click [here](#) to view a video created by the Beaufort County Broadcast Services Department promoting the contest.

Entries will be accepted until Wednesday, November 28. Only one entry per student will be accepted. The winners will be announced on Friday, December 7. For more information, contact Ellen Sturup Comeau at ecomeau@clermson.edu or 843-473-6023.
