**Updated: A Portion of Butcher's Island Boat Landing to be Used for Harbor River Bridge Replacement Project**

A portion of the [Butcher's Island Boat Landing](#), 10 Butcher's Road, St. Helena Island [\[map\]](#), will be used for storing large crane equipment starting next month. **Work is expected to begin the week of December 3.** The equipment will be used for the Harbor River Bridge replacement project. As a matter of public safety the [South Carolina Department of Transportation](#) (SCDOT) will be replacing the Harbor River Bridge beginning in 2019 and completion expected sometime in 2022.

**Work had been scheduled to start the week of November 29, but the timetable changed due to a schedule change with the moving of power lines in the project area.**

The Butcher's Island Boat Landing will remain open to the public.
