Daufuskie Island Code

SECTION 2.0

<u>STANDARD</u>	<u>WAIVER</u>	<u>PAGE</u>
2.1	DAFUSKIE FUTURE URBANIZATION PLAN	
2.2.1(b)	Conservation Sectors (O2 Reserve Open Space Sector) Streets – Neighborhood Drive (42) shall be by Administrative Form Waiver.	24
2.2.2(c)	Urban Growth Sectors (G1 Restricted Growth Sector) Streets – Neighborhood Drive (42) shall be by Administrative Form Waiver.	25
2.2.2(e)	Urban Growth Sectors (G1 Restricted Growth Sector) Streets – Rural Road shall be by Administrative Form Waiver.	26
2.6	DAUFUSKIE ISLAND STREET PLAN	
2.6.5	Unless approved using the process for an Administrative Form Waiver, on-street parking shall not be permitted in the Conservation Zoning Districts (D1, D2).	38
2.6.7	Vehicular Lanes and Public Frontages of streets that pass from one Transect Zone to another shall be adjusted accordingly using the process for an Administrative Form Waiver.	38
2.6.9	Block perimeter shall be measured as the sum of Lot Frontage Lines. Block perimeter at the edge of the development parcel shall be subject to approval by Administrative Form Waiver.	38
2.6.10	Cul-de-sacs shall be subject to approval by Administrative Form Waiver to accommodate specific site conditions only.	38
2.6.14	With the exception of the Scenic Drive and the Scenic Main Street the Street Assembly on one side of the Street shall reflect the Street Assembly on the opposing side of the Street. Significant deviations shall require an Administrative Form Waiver.	38
2.7	PUBLIC FRONTAGE (Table 2.8 Street Assembly Summary)	
Table 2.8	Walkway Types for the Rural Road, Greenway, and Oak Alley Street Types: Permission to forego construction of a Path shall be permitted by Administrative Form Waiver only.	50

SECTION 3.0

3.1	EXISTING PHYSICAL CONDITIONS	
3.1.1(b)(1)	Using the process for an Administrative Form Waiver, an Applicant may request that a “Conventional Suburban Subdivision” be re-interpreted, re-formatted, and re-programmed using the standards for a Traditional Community.	56
3.2	NEW DEVELOPMENT	
3.2.2(b)(1)	In D1 the Design of each new Principal Building shall be reviewed using the process for an Administrative Form Waiver.	57
3.4	DENSITY	
3.4.5(a)	In D1 Density or Dwelling Units per acre (du./ac.) shall be approved on a parcel by parcel basis using the process for an Administrative Form Waiver.	60
3.5	CIVIC SITES	
3.5.3	If permitted as a Use, each Civic Site shall be subject to individual review using the process for an Administrative Form Waiver.	61
3.5.9	Unless permitted by Administrative Form Waiver, Civic Spaces (Greens, Parks) must front a specific number of streets, a water body, or a natural feature.	62
3.5.12	If approved by Administrative Form Waiver, parking for a Civic Sites may remain unpaved if graded, compacted, and possibly landscaped.	62
3.5.13	If approved by Administrative Form Waiver, parking for a Gathering Place may remain unpaved if graded, compacted, and possibly landscaped.	62
3.5.17	Civic Building design shall be determined using the process for an Administrative Form Waiver.	62
3.6	LOT DESIGN AND BUILDING PLACEMENT	
3.6.1(a)	In D1 newly platted Lots shall be dimensioned or determined using the process for an Administrative Form Waiver.	64
3.6.1(b)(1)	In D2 Lot width shall be determined using the process for an Administrative Form Waiver.	64
3.6.2(a)	In D1 Buildings shall be disposed using the process for an Administrative Form Waiver.	64
3.6.2(f)	In D2 the Front Setback for a Secondary Living Unit that is not part of a Conservation Community shall be determined using the process for an Administrative Form Waiver.	64
3.6.2(j)	Setbacks for Civic Buildings shall be determined using the process for an Administrative Form Waiver.	64
3.6.2(k)	Facades shall be built along a minimum percentage of the lot width as determined using the process for an Administrative Form Waiver.	64

Daufuskie Island Code

SECTION 3.0 (cont)

STANDARD	WAIVER	PAGE
3.7	BUILDING CONFIGURATION	
3.7.1(a)	In D1 the Archetype for a new structure shall be allocated per Administrative Form Waiver.	64
3.7.1(b)	In D1 Private Frontage for a new structure shall be allocated per Administrative Form Waiver.	64
3.7.2(a)(3)	In D2 the particulars of the design for the "Everyday Island" archetype shall be determined using the process for an Administrative Form Waiver.	64
3.7.2(b)	In D2 Civic Buildings shall not be limited to the Building Archetypes found in this code. The particulars of the design shall be determined using the process for an Administrative Form Waiver.	65
3.7.2(c)	In D2 a Principal Building or Secondary Living Unit that changes its primary use (away from Residential) shall utilize the process for an Administrative Form Waiver to determine which alterations from the Adaptive Residential Archetypes are necessary.	65
3.7.2(d)(2)	In D2 the Principal Building shall not turn its back to the ROW or easement and adjacent Natural Resource or Civic Site without acquiring an Administrative Form Waiver.	65
3.7.2 (f)(2)	Retail, Civic, Civil Support, or Agricultural Industrial uses may exceed the fourteen (14) foot first story height limit if approved using the process for an Administrative Form Waiver.	65
3.7.2(i)(1)	In D2 Architectural Appurtenances may extend a maximum of 15 feet above the height limit, and shall not exceed 250 square feet in size when combined. A proposal that exceeds these standards shall require approval using an Administrative Form Waiver.	65
3.7.2(i)(2)	In D2 Mechanical or structural Appurtenances may extend an additional 15 feet above the height limit. Such appurtenances shall not exceed 250 square feet in size when combined. Appropriate screening shall be provided. A proposal that exceeds these standards shall require approval using an Administrative Form Waiver.	65
3.8	USE	
3.8.2(f)	A Principal Building or Secondary Living Unit that changes its primary use (away from Residential) shall utilize the process for an Administrative Form Waiver to determine which alterations from the Adaptive Residential archetypes are necessary.	68
3.9	PARKING	
3.9.1(h)	The minimum and maximum number of parking spaces required may be reduced or exceeded using the process for an Administrative Form Waiver. If the maximum number of parking spaces is permitted to exceed the current standard then all excess parking shall be in the form of "cart" spaces only.	72
3.9.2(b)	One (1) row of highly contextual front loaded, informal "pull-in" parking shall be permitted directly in front of an existing building whose Use is retail oriented. Such parking shall require an Administrative Form Waiver for approval.	73
3.10	LANDSCAPE and STORMWATER	
3.10.4	Impermeable surface in D2 shall be confined to the ratio of Lot coverage as determined using the process for an Administrative Form Waiver.	73
3.10.5(c)(1)	A proposal to remove mature, healthy, non-invasive Specimen Trees located outside of the footprint of the Principal Building, Secondary Living Unit, and Outbuilding shall be approved using the process for an Administrative Form Waiver.	74
3.11	SIGNAGE	
3.11.7(d)1)	In D3 the Island Eclectic Sign shall be permitted using the process for an Administrative Form Waiver.	77
3.11.7(d)(5)	The Island Eclectic Sign shall be limited to 6 feet in height and 6 feet in width, unless approved by Administrative Form Waiver.	77

SECTION 4.0

4.1	EXISTING PHYSICAL CONDITIONS	
4.1.1(b)(1)	Using the process for an Administrative Form Waiver, an Applicant may request that a "Conventional Suburban Subdivision" be re-interpreted, re-formatted, and re-programmed using the standards for a Traditional Community.	96
4.5	CIVIC SITES	
4.5.3	If permitted as a Use, each Civic Site shall be subject to individual review using the process for an Administrative Form Waiver.	102
4.5.8(a)	Unless approved by Administrative Form Waiver, Civic Spaces (Square, Green, Park, Plaza) shall front the required number of streets, public Rights of Way, or Easements.	103
4.5.10	If approved by Administrative Form Waiver, Parking for a Civic Site may remain unpaved if: graded, compacted, and possibly landscaped.	103

Daufuskie Island Code

SECTION 4.0 (cont)

<u>STANDARD</u>	<u>WAIVER</u>	<u>PAGE</u>
4.5.11	If approved by Administrative Form Waiver, Parking for a Gathering Place may remain unpaved if: graded, compacted, and possibly landscaped.	103
4.5.15	Civic Building design shall be determined using the process for an Administrative Form Waiver.	103
4.6	LOT DESIGN AND BUILDING PLACEMENT	
4.6.2(e)	Setbacks for Civic Buildings shall be determined using the process for an Administrative Form Waiver.	105
4.7	BUILDING CONFIGURATION	
4.7.1(c)	A Principal Building that changes its primary use (away from Residential) shall utilize the process for an Administrative Form Waiver to determine which alterations from the Adaptive Residential Archetypes are necessary.	106
4.7.1(d)	Civic Building design shall be determined using the process for an Administrative Form Waiver.	106
4.7.2(b)	Unless approved by Administrative Form Waiver, a Principal Building shall not turn its back to a ROW or easement AND adjacent Natural Resource or Civic Site.	106
4.7.5	Retail, Civic, Civil Support, or Agricultural Industrial uses may exceed the fourteen (14) foot first story height limit if approved using the process for an Administrative Form Waiver.	107
4.7.8(a)	Architectural Appurtenances may extend a maximum of 15 feet above the height limit, and shall not exceed 250 square feet in size when combined. A proposal that exceeds these standards shall require approval using an Administrative Form Waiver.	107
4.7.8(b)	Mechanical or structural Appurtenances may extend an additional 15 feet above the height limit. Such appurtenances shall not exceed 250 square feet in size in D3, and twenty percent (20%) of the roof area in D4 and D5 (when combined). Appropriate screening shall be provided. A proposal that exceeds these standards shall require approval using an Administrative Form Waiver.	107
4.7.12(e)	In D4 / PD screened in porches shall be permitted on the first floor façade of the Principal Building's major mass by Administrative Form Waiver.	
4.7.12(f)	In D4 / PD loading docks and service areas shall be permitted on the Building Frontage if approved using the process for an Administrative Form Waiver.	107
4.7.13(f)	In D5 loading docks and service areas shall be permitted on the Frontage Line if approved using the process for an Administrative Form Waiver.	107
4.8	USE	
4.8.5	A Principal Building that changes its primary use (away from Residential) shall utilize the process for an Administrative Form Waiver to determine which alterations from the Adaptive Residential Archetypes are necessary.	110
4.9	PARKING	
4.9.1(n)	The minimum and maximum number of parking spaces required may be reduced or exceeded using the process for an Administrative Form Waiver. If the maximum number of parking spaces is permitted to exceed the current standard then all excess parking shall be in the form of "cart" spaces only.	115
4.9.2(b)	In D3 Non-Residential "Side-loaded" parking shall require an Administrative Form Waiver.	115
4.10	LANDSCAPE and STORMWATER	
4.10.5(c)(1)	A proposal to remove mature, healthy, non-invasive Specimen Trees located outside of the footprint of the Principal Building and Outbuilding shall be approved using the process for an Administrative Form Waiver.	117
4.10.5(x)(7)	Lawn (turf) in D4, PD, D5 shall be permitted using the process for an Administrative Form Waiver.	119
4.11	SIGNAGE	
4.11.2(d)(1)	In D3 the Island Eclectic Sign shall be permitted using the process for an Administrative Form Waiver.	122
4.11.2(d)(5)	The Island Eclectic Sign shall be limited to 6 feet in height and 6 feet in width, unless approved by Administrative Form Waiver.	122
4.11.2(e)(2)	A Standard Ground Signboard shall only be permitted in D3 using the process for an Administrative Form Waiver.	122

SECTION 5.0

<u>STANDARD</u>	<u>WAIVER</u>	
5.2	SPECIFIC USE DEFINITIONS	
5.2.1	Civic Building design shall be determined using the process for an Administrative Form Waiver.	137
