Attending: Wayne Blankenship, Chief Jones, Donnie Phillips,  
Gregg Gilbert, George Williams, John Kerner, and Rudy Glover

Absent: John Seno

The minutes dated June 27, 2013, were approved. Motion to accept made by Donnie Phillips and seconded by Rudy Glover.

Old Business:

The FEMA grants are late starting this year. Applications will not be taken until the end of next month. Chief Jones has everything ready to go. He is just waiting until FEMA starts accepting applications.

The ATV bank account has been closed. A sum of \$73.04 was transferred to Capital.

New Business:

Fire district audit: Chief Jones is beginning to compile the paperwork needed for the audit. It generally takes a month before the audit begins because the County accounts must be closed first.

Chief Jones signed a renewal maintenance contract with Palmetto Fire Apparatus. The year before last the district spent \$18,000 to \$22,000 on maintenance. Last year under this new contract \$13,000 was spent. Will have a better knowledge of the value of this contract by the end of our 3<sup>rd</sup> year.
