### **GENERAL DISCUSSION**

#### **Landscape Bid Update for Rose Hill/Belfair**

Ms. Nancy Moss passed out landscape plans to the Board members for review. She stated that JK Tiller and Associates submitted detailed plans to the Planning Department in June. The Planning Department then submitted the plans and applied for an encroachment permit to SCDOT. In early August the Planning Department was contacted by SCDOT and informed that they had rejected two vegetation selections. The Natchez Crepe Myrtle grows too tall and the

Japanese Privet tends to be invasive. SCDOT offered three options in place of these plants and JK Tiller was actively working with SCDOT to make a compromise. Ms. Moss asked the Board for any recommendations for plant substitutions. Ms. Bridgwater suggested Burford Holly in place of the Japanese Privet. Ms. Moss said that she would forward that request to JK Tiller. Once the plant substitutions are resolved the Planning Department will resubmit the plans to SCDOT. In the meantime, the Planning Department had discussions with Mr. Dave Thomas in the Purchasing Department about how to develop the landscape bid. It was determined that the bid will include a landscape company to install the plants and a separate landscape architect to oversee the project. The bid will also include the Board's maintenance standards, traffic management plan, and site work.

#### **Role of the Board**

Vice-Chairman Stanford went to the Natural Resources Committee Meeting in June and discussed the role and status of the Board. One main discussion item was the budget. He explained that the Board does not want to fundraise for the budget, so they need to find other avenues for funding.

#### **Future Projects**

Vice-Chairman Stanford said that he had some contacts at Moss Creek and Rose Hill for discussions of future projects. The Board needs to think of some other neighborhoods and businesses that might partner with the County on future projects.

#### **New Board Schedule**

The Southern Beaufort County Corridor Beautification Board will be held every third Thursday of the month for the year 2017 at the Hilton Head Library at 2:00 pm.
