## **GENERAL DISCUSSION**

### **Highway 278 Master Landscape Plan Encroachment Permit Update:**

SCDOT issued a 6-month extension to the encroachment permit which will expire on 02/24/19.

**Berkeley Hall Median Landscape Project Update:**

The landscape contract is being finalized with BrightView Landscape Services. The contract will start no sooner than September 15, 2019 and is expected to be completed on December 31, 2019. This segment of Highway 278 has many junipers and daylilies proposed. Because these plantings have not performed well in the previous segments, Staff and BrightView have sought plant substitutions from J. K. Tiller & Associates and Green Goods plant nursery. The Board unanimously decided that the Parsons juniper should be substituted for the blue rug juniper and the plumbago should be substituted for the daylilies at the intersection portions.

**Final Median Segments – Crape Myrtle Plantings Update:**

The revised landscape plan to install dwarf Crape Myrtles without shrubs, ornamental grasses or groundcovers was approved by SCDOT. This project is currently out for bid. There was a mandatory pre-bid meeting on July 17<sup>th</sup> and 3 landscape contractors attended; the bid is due on August 7<sup>th</sup>. The planting work is expected to coincide with the Berkeley Hall plant installation.

**Status of Solar Panel Project New Tree Mitigation Funds:**

The solar panel project tree mitigation funds were recently deposited into the Beaufort County Tree Reforestation Fund. The second and smaller solar panel tree mitigation project is currently in the planning stages of the project.

**OTHER BUSINESS:**

Ms. Cope-Foss reached out to SOLOCO and requested to be placed on the October 22, 2019 meeting agenda to make a presentation to showcase the SBCCBB's accomplishments with the median beautification projects completed to date, to request funding for future beautification projects and to encourage the various municipalities to beautify medians within their jurisdiction.

Because Staff will be out of town when the August 15<sup>th</sup> SBCCBB meeting is scheduled and the median landscape installation will not start until September 15, 2019, the Board unanimously approved to cancel the August meeting.

Next meeting – Thursday, September 19, 2019 at 2:00 p.m. at the Beaufort County Hilton Head Library, Small Conference Room, 11 Beach City Road, Hilton Head Island, SC 29926

**ADJOURNMENT**

**With no further business, Ms. Cope-Foss entertained a motion at 2:38 p.m. from Mr. Theodore, and seconded by Ms. Humphrey, to adjourn the meeting. The motion was approved unanimously (FOR: Brown, Cope-Foss, Humphrey, Novak, Theodore).**
