**Request for Technical Assistance to study retrofit of development versus on-lot controls at Coosaw Point:** Three firms (ATM, WE and T&H) asked to submit proposals. Hope to pilot an example of a development that can meet volume controls for less than on lot controls. Final costs unknown but expect to be less than \$25,000. Proposal due April 8, 2011

**Assistance with Preparation and Facilitation of meetings with municipalities and other organizations on Step 2 control regulation;** ATM, \$25,000; received by County Administrator discussed at March board meeting. Proposed actions already planned. Action delayed, may not be needed.

**Administrative Parking Lot – Additional Consultant Services;** Andrews and Burgess; \$8,375; subcontracts for landscaping, additional soil borings and extra engineering associated with pervious pavement and contractor demo assistance and paving contract supervision.

**Projects Funded from Last Report (last time reported)**

**Stormwater Cost Impact Analysis** – Allison Ramsey; \$5,000 not to exceed; for cost analysis for affordable home track with LID alternatives; attending workshops and meetings.
