Administrative Parking Lot – Additional Consultant Services; Andrews and Burgess; \$5,000; additional engineering associated with pervious pavement and contractor demo assistance and paving contract supervision. Presently on hold till funding is decided.

Upgrade of On-lot Web Program – Create and Solve; estimated \$2,000; Will be a program upgrade to include more bioretention options than rain gardens. This will be initiated when we get volume credit information from CDM under BMP manual upgrade. Will start when we have time to meet with contractor.

Carolina Clear FY13 Outreach/Education Program – Clemson Extension; \$67,665; This is the proposed FY 2013 amount submitted under the Clemson County Extension Program Support Agreement. Scheduled for Natural Resources Committee at their June 6 meeting

Okatie East Retrofit – Ward Edwards; \$46,600: This agreement will be to get regulatory permits, extensive surveying determine Island West pond elevations and design of outfall structure. Will be taking to Natural Resources Committee at their June 6 meeting.

County Ditch Retrofit Pilot Project – Ward Edwards \$4,500: This is a level of effort contract to assist the Utility on designing and assessing results of retrofits to slow runoff from large ditches. Have one pilot ditch near Public Works that we will be monitoring and developing procedures to employ in other ditches if this one is successful. Will be approved by County Engineer shortly.

Projects Funded since Last Report

Carolina Clear Education Transition Program – Clemson Extension; \$10,000;
