It's Your  
"Doody!"

Dog waste is raw sewage:  
Scoop it, bag it, and place it in the trash.

## What can you do?

-  Pick up after your pet every single time.
-  Check with your pet store for products that make picking up easy.
-  Put pet waste in the garbage; never wash it into the gutter or storm drain.
-  Never dispose of waste in or leave it near our waterways.
-  Carry extra bags in your car, so you are prepared when you travel with your pet.
-  Educate your neighbors and remind them to pick up after their pets.
