## ELECTION COMMISSION

### **Beaufort County Results on State ENR Page Delayed Until All Precincts Report**

June 14, 2022

Due to the resolution of the recent redistricting error in Beaufort County, results from the county on the State Election Commission's Election Night Results site will be delayed until all precincts have reported in Beaufort County.

The resolution of the redistricting error was to deploy a corrected election database to the six affected precincts. Once all precincts have reported, the results from the six affected precincts can be merged with the unaffected precincts for state reporting.

This delay does not affect the ability for results to be reported at polling places upon closing nor the ability to report results from the Beaufort County office. The issue affects only the ability to report partial results on the state results site. Complete unofficial results will be posted on the state site as soon as available.
